

Students

Directory Information

The District may disclose any of the items listed as “Directory Information” without prior written consent, unless notified in writing to the contrary.

“Directory information” means one or more of the following items: parents’ names, student’s name, address, telephone number, date of birth, participation in officially recognized activities and sports, photographic, digital and/or video images, grade levels, weight and height of members of athletic teams, dates of attendance and diplomas and awards received, including honor roll publication.

A student’s Social Security Number or student ID number is prohibited from designation as directory information. However, student ID numbers and other electronic personal identifiers used to access or communicate in electronic systems may be disclosed only if the identifier is not used by itself to authenticate identity and cannot be used to gain access to education records.

Military recruiters or institutions of higher learning shall have access to secondary school students’ names, addresses, and telephone listings unless a secondary student or the parent of the student requests that such information not be released without prior written parental consent. The Board of Education shall notify parents of the option to make such a request and shall comply with any request received.

Any person or organization denied the rights accorded under this policy shall have the right to request a review of the decision by the Board of Education by filing a written request with the Superintendent of Schools.

Public Notice

The District will give annual public notice to parents/guardians of students in attendance and students eighteen years of age or emancipated. The notice shall identify the types of information considered to be directory information, the District’s option to release such information and the requirement that the District must, by law, release secondary students’ names, addresses and telephone numbers to military recruiters and/or institutions of higher education, unless parents/guardians or eligible students request the District withhold this information. Such notice will be given prior to the release of directory information.

Exclusions

Exclusions from any or all directory categories named as directory information or release of information to military recruiters and/or institutions of higher education must be submitted in writing to the Principal by the parent/guardian, student of eighteen years of age or emancipated student within fifteen days of notification.
