Welcome to a meeting of the Stafford Board of Education. Your presence at this meeting is appreciated. Your interest is a vital part of our school system's success. You will find copies of the agenda near the entrance.

Public Comment

Board of Education meetings are subject to open meeting laws. Therefore, all business, except that which is related to personnel matters, pending claims and litigation, security devices and real estate, confidential documents, collective bargaining issues, and other negotiations, must be conducted in public session.

Public input during meetings is limited to that portion of the agenda identified as *Public Comment*, or as determined by the Chairperson. Provisions for permitting any individual or group to address the Board concerning any subject that lies within its jurisdiction shall be as follows:

1. Three (3) minutes may be allotted to each speaker on each subject matter. The Board may modify these limitations at the beginning of a meeting if the number of persons wishing to speak makes it advisable to do so.
2. A Board of Education member shall be appointed by the Chairperson prior to the meeting to act as timekeeper for the meeting, if deemed necessary by the Chairperson.
3. No boisterous conduct shall be permitted at any Board of Education meeting. Persistence in boisterous conduct shall be grounds for summary termination, by the Chairperson, of that person's privilege of address.
4. All speakers must identify themselves by name and address.

Questions or issues raised will typically be referred to administrative staff for follow-up. Citizens are encouraged to use routine channels: teacher/staff, director/building administrator, or Superintendent of Schools when seeking resolution to a problem.

What is the Board of Education?

The Board of Education is the planning and policy making authority for the Stafford Public Schools. In this responsibility the Board operates in accordance with the educational laws of the State of Connecticut. The Board of Education is composed of seven residents. Each member is elected for a four-year term. Board members are not paid for their service to the community.

What Does the Board Do?

The board represents you, the citizen, in establishing a sound educational philosophy, adopting policies for operation of the schools, developing sound financial plans consistent with educational needs and community resources, providing leadership for educational progress and evaluation and upgrading programs. Although any matter relating to the operation of the schools may come before the board, most problems are routinely handled through administrative channels.

When Does the Board Meet?

Regular meetings of the board are open to the public, and all action authorized and required by law is taken at these meetings. They are usually held at 6:30 p.m. in the cafetorium at Stafford Elementary School, on Mondays in accordance with the meeting schedule that is posted on the district's web site (www.stafford.k12.ct.us) and at the town clerk's office. Special meetings are also held as needed.

Stafford Public Schools Strategic Goals

1. Integrate core content knowledge with 21st Century essential skills needed for success in the 21st Century.
2. Systematically gather and analyze evidence of student performance to ensure continuous progress toward the goals of the educational program.
3. Analyze and improve systems to promote effective communication and collaboration among and between administration, staff, students, parents, and community.
