Conduct

The Board of Education recognizes that students are influenced by the conduct displayed by teachers and other members of a school's staff. The Board expects that staff will strive to set the kind of example for students that will serve them well in their own conduct and behavior and contribute toward an appropriate school atmosphere.

Employees are expected to report for work appropriately dressed, on time and fully prepared to perform their duties. They are expected to perform their duties in a timely and efficient manner, and to refrain from inappropriate conduct. Every employee is expected to work professionally with students, parents, administrators and other staff members.

Disciplinary action, when necessary, will be applied in accord with applicable laws, policies, and collective bargaining agreements.
