VERIFIED ACTS OF BULLYING
IN THE STAFFORD SCHOOL

Bullying Behavior in the Schools

"The Principal of each school shall maintain a list of the number of verified acts of bullying in the school, and this list shall be available for public inspection upon request. Given that any determination of bullying involves repeated acts over time, each report prepared in accordance with the above that includes verified acts of bullying shall be tallied as one verified act of bullying unless the specific actions that are the subject of the report involve separate and distinct acts of bullying. The list shall be limited to the number of such verified acts of bullying in the school, and it shall not set out the particulars of each verified act, including but not limited to any personally identifiable student information, which is confidential information by law."
