Solicitation of Funds

The objective of this policy is to provide the acceptance criteria for soliciting funds, gifts, grants, and bequests conducted by school-sanctioned parent organizations, district employees, and students of the Stafford Public Schools.

The Stafford Board of Education recognizes that certain types of fundraising activities will enhance the relationship between school and community and will contribute to the improvement of the school program. The Board also recognizes that businesses, cultural, and community organizations hold an interest in the quality of public education and, from time to time, offer to support that interest with a variety of contributions to the school district. School districts, however, are public institutions fully supported by taxes and the Board has a clear responsibility to protect students, staff, and their families from exploitation by special interests including, but not limited to, economic, environmental, and political exploitation. The Board also recognizes that exploitation works both ways. A potential donor may feel unduly pressured, either directly or indirectly, when solicited to contribute to a program promoted by a school system. Therefore the Board of Education establishes the following acceptance criteria.

Solicitation of Funds from and by Students, Staff and School Sanctioned Parent Organizations

1. There shall be sufficient educational or financial benefits to the school and/or students, either directly or indirectly, to justify the fundraising activity.
2. Fundraising shall be appropriate for the school district.
3. Fundraising shall be limited to Board-approved activities; activities sponsored by faculty, students, and school-related parent organizations for nonprofit school benefits; or educational and recreational activities sponsored by agencies of the town government.
4. Solicitation of funds from businesses or other outside organizations shall be with the understanding that public recognition for contributions shall be appropriate and balanced.
5. Funds raised from the activity will be applied to a specific school system-related project.
6. The fundraising mechanics or procedures will not unacceptably burden staff or subject the school to unnecessary risks or responsibility.

The following additional criteria shall be applied to solicitation by students:

1. Elementary and middle school students will not participate in door-to-door sales or canvassing.
2. Elementary or middle school fundraising will not result in profit or advertisement for any commercial enterprise except when profits are realized in conjunction with the following events:
 - A. Annual all-school fundraising events of one week or less (e.g., fairs, bazaars).
 - B. Fundraising activities designed to acquire funds for approved field trips.
 - C. Class pictures.
3. Under no circumstances shall students be required to solicit and no mandatory quotas shall be imposed upon them.
