

Personnel – Certified/Non-Certified

Retirement

Purchase of Health Insurance

All certified employees of the Stafford School System who have retired from school service in Stafford are eligible for health insurance in accordance with Section 10-183t of the Connecticut General Statutes.

All full-time, non-certified employees of the Stafford School System who have retired from school service in Stafford are eligible for health insurance at their sole cost through the school program until age-65, upon receipt of premium payment from the retiree. Non-certified employees who are not eligible for Medicare may maintain health coverage through the Board of Education and not be terminated until the death of the employee and his/her surviving spouse. Employees who are not eligible for Medicare may remain in the same group with the same coverage after age 65 upon receipt of premium payments from the retiree.
