

Board of Education Regular Meeting

Monday, September 27, 2021, 6:30 PM

Stafford Elementary School Cafetorium

In-Person Attendance: Masks required; Limited Seating Available

Zoom Meeting Information - Dial in: 1-646-558-8656 Meeting ID: 890 4035 2963 Passcode: 502453

- I. Call to Order- Establishment of Quorum
- II. Pledge of Allegiance
- III. Secretary's Report- Approval of Minutes
 - A. 09/13/2021, Regular Meeting Minutes
- IV. Consent Agenda
 - A. Obsolete Equipment - Stafford Elementary School
 - B. 2020-2021 Bills and Grants, 09/10/2021, \$6,748.94
 - C. 2020-2021 Bills and Grants, 09/17/2021, \$1,130.10
 - D. 2021-2022 Bills and Grants, 09/17/2021, \$33,613.63
- V. Correspondence
 - A. The next regularly scheduled Board meeting will be held on Monday, October 18, 2021, at 6:30 p.m., at Stafford Elementary School
- VI. Board Reports
 - A. Student Representatives' Report
 - B. Negotiation Committee (Chairperson- Andrea Locke, Jen Davis and Sonya Shegogue)
- VII. Superintendent Reports
 - A. Notification of Donation to the Athletics Department
 - B. Update Regarding District COVID-19 Cases
 - C. Financial Report, July 1, 2021 through August 31, 2021
- VIII. Public Comment
- IX. Old Business
- X. New Business
 - A. Review and Possible Approval of the Elementary Standards-Based Report Cards
 - B. Review and Possible Approval of CSDE Flexibilities Associated with the Stafford Public Schools Professional Learning and Evaluation Plan
 - C. Approval of Authorized Signers for Stafford Savings Bank Accounts
- XI. Personnel Matters
- XII. Student Matters
 - A. Consideration of Superintendent of Schools' Recommendation for the Expulsion of Student A (Executive Session Anticipated)

**Regular Meeting
Stafford Board of Education
Stafford Elementary School Cafetorium
Limited In-person Meeting and Electronic Meeting via Zoom
September 13, 2021, 6:30 p.m.**

Board Members Present (in person): Ms. Kathy Bachiochi
Mrs. Jennifer Davis
Mr. Mike Delano
Mrs. Andrea Locke, Secretary
Ms. Laura Lybarger
Ms. Sonya Shegogue, Chairperson

Absent: Mr. George Melnick

Also Present (via Zoom, except as noted):

Mr. Steven Moccio, Superintendent of Schools (in-person)
Mr. Steven Autieri, Director of Curriculum and Instruction (in-person)
Mr. Jonathan Campbell, Assistant Principal, Stafford Middle School
Mr. Dean Fortin, IT / Network Coordinator (in-person)
Ms. Anna Gagnon, Principal, West Stafford School
Ms. Kathie Gabrielson, Director of Pupil Services (in-person)
Mr. Timothy Kinel, Assistant Principal, Stafford High School
Ms. Mary Claire Manning, Principal, Stafford Elementary School
Ms. Sue Mike, Principal, Stafford Middle School
Mr. Marco Pelliccia, Principal, Stafford High School
Ms. Lynne Pelletier, Director of Food Services
Ms. Diane Peters, Business Manager (in-person)
Ms. Sara Varga, Assistant Principal, Stafford Elementary School

The meeting agenda and copies of all Board meeting materials were posted on the district's website (www.stafford.k12.ct.us) prior to the meeting, in accordance with the requirements for electronic meetings. Audience members were able to participate by phone utilizing the phone number provided on the meeting agenda. The recording of this meeting is available on the district website.

Item I. Call to Order- Establishment of Quorum

The meeting was called to order at 6:32 p.m.

Item II. Pledge of Allegiance

The student representatives led the Board in the Pledge of Allegiance.

Item III. Secretary's Report- Approval of Minutes

Special Meeting, 08/23/2021, 5:45 p.m.
Special Meeting, 08/23/2021, 6:30 p.m.

Mrs. Locke made a motion, seconded by Ms. Lybarger, that the Board approve the Secretary's Report for the special meetings held on 08/23/2021, as presented. Ms. Bachiochi, Mrs. Davis, Mrs. Locke, and Ms. Lybarger voted for the motion, which carried. Mr. Delano abstained.

Item IV. Consent Agenda

- A. **Obsolete Equipment- School Facilities / Stafford Elementary School**
- B. **2020 – 2021 Bills and Grants, 09/03/2021, \$635,798.80**
- C. **2021 – 2022 Bills and Grants, 09/03/2021, \$365,626.80**
- D. **2021 – 2022 Bills and Grants, 09/10/2021, \$81,939.11**

Mrs. Locke made a motion, seconded by Ms. Bachiochi, that the Board approve the items listed in the consent agenda, as presented. Ms. Bachiochi, Mrs. Davis, Mr. Delano, Mrs. Locke, and Ms. Lybarger voted for the motion, which carried.

Item V. Correspondence

A. Board Meeting Reminder

Ms. Shegogue read the Board meeting reminder that was posted on the agenda.

Item VI. Board Reports

A. Student Representatives' Report

Mr. Moccio and Ms. Shegogue welcomed the student representatives, Mr. Ryan Duffy, who returned for a second year with the Board, and Miss Alexa Morel, new this school year.

Mr. Duffy provided updated from each of the schools, as well as the athletic and music departments.

B. Negotiation Committee (Chairperson- Andrea Locke, Jen Davis and Sonya Shegogue)

Mrs. Locke provided an update on the status of negotiations between the Board and the Stafford Education Association (SEA).

Item VII. Superintendent's Reports

A. Update Regarding Convocation and the Opening of School

On Tuesday, August 24, 2021, all Stafford Public Schools staff members returned to the district for the annual Convocation exercises, which included speeches, group activities and challenges, and faculty meetings. Convocation was followed by three days of professional development. Board members were provided via the portal with a copy of the Convocation and Professional Development Agendas.

Mr. Moccio outlined the success of Convocation and the opening of school. Mr. Moccio thanked Ms. Lybarger for giving the remarks on behalf of the Board at Convocation. Mr. Moccio acknowledged all of the staff for their hard work, in addition to recognizing the Teacher of the Year and Paraprofessional of the Year during convocation.

Mr. Moccio stated that on the first day of school, he, Mr. Autieri, Mrs. Russell, and Ms. Gabrielson visited each classroom and welcomed everyone back.

Mr. Moccio recognized the hard work of all district staff during the planning and preparation for the return to school, as well as the children for their understanding and adherence to the COVID protocols.

B. Update Regarding District COVID-19 Cases

Mr. Moccio provided the Board with an update regarding the total number of positive COVID-19 cases to date in the district, as well as the total number of students and staff that have been required to self-quarantine due to being identified as a “close contact”. As of September 8, 2021, there have been 18 staff and student cases, with an additional 4 individuals being required to quarantine.

Mr. Moccio stated that he planned to continue to provide the community with updates regarding the district’s COVID-19 cases, as was done last school year. Mr. Moccio stated that the current positive cases in the school community are due to out-of-school interactions, similar to last year.

Mr. Moccio disclosed that he was made aware of another positive case prior to the start of the Board meeting that resulted in up to 15 students being identified as close contacts. Mr. Moccio stated only five of the 15 students will have to quarantine due to the guidelines surrounding vaccinations set forth by the state allowing vaccinated students to continue to attend school in-person after an exposure. Mr. Moccio stated that he sent his first COVID-19 update on Sunday, September 5, 2021, and plans to send another on the evening of September 13, 2021.

Mr. Moccio stated that he will be sending out information on Project COVID DeteCT to families of students enrolled in grades K - 6. He said that Project COVID DeteCT is a voluntary, no-cost, weekly testing program offered to unvaccinated Stafford students through Quest Diagnostics. Weekly testing is beneficial for early identification and isolation of asymptomatic infect individuals to prevent virus spread and transmission.

Mr. Moccio discussed Governor Lamont’s Executive Order 13B (now 13G) regarding mandated vaccination for the staff (covered workers by definition of the executive order). Mr. Moccio stated that the district is in the process of collecting the necessary information from staff members and that staff will have until the end of the day on Thursday, September 16th to provide their vaccination record. Mr. Moccio explained that the plan for those who do not have their vaccine and will require weekly testing is being finalized. Mr. Moccio stated that September 27, 2021, marks the date in which the District can no longer hire individuals who do not have the COVID-19 vaccination.

Mrs. Davis asked if the Project COVID detect was only for students. Mr. Moccio stated it is only for students, although it was originally presented by the State for both staff and students. Later, it was prioritized for only students.

Mrs. Davis asked who would responsible for the cost of COVID-19 testing of the faculty. Mr. Moccio stated that this is currently being finalized. Mr. Moccio stated the district is self-insured and according to the coverage of the insurance plan, COVID testing would be at no cost to the employee, but would be an expense to the district due to the impact on the self-insurance fund. Mr. Moccio stated he and Mrs. Peters continue to inquire regarding the impact of weekly testing on the self-funded insurance plan.

Mr. Delano asked Mr. Moccio heard anything regarding more testing for students as a neighboring district utilizing this. Mr. Moccio answered that there are no requirements regarding the students at this time but the state emphasizes vaccination.

Mrs. Davis stated that she believes in the right to choose, but also believes that the district should not have to incur the cost of the testing. She said that those who are not vaccinated should be held responsible for the cost of testing. She asked Mr. Moccio to look into how other districts are handling the testing requirement. Mr. Moccio stated that he is awaiting clarification regarding this matter.

Ms. Lybarger asked if we have the percentage of students who are vaccinated. Mr. Moccio stated we do not require proof of vaccination for students to attend. However, if a student is deemed to be a close contact, proof of vaccination will be requested. He noted that the town of Stafford is 52% vaccinated.

Mr. Moccio asked the student representatives if they had any questions.

C. Update Regarding the ARP-ESSER Grant Application

Board members were provided with a memorandum and the Connecticut State Department of Education's (CSDE) communication regarding *Connecticut's American Rescue Plan (ARP) Act, 2021, Elementary and Secondary School Emergency Relief Fund (ESSER) Guidance: Reimagining Schools to Transform Students' Lives*. Mr. Moccio stated that the Stafford Public School District has been allocated \$1,640,982, of which 20%, or \$328,196, must be set-aside for learning recovery. Per the Connecticut Office of Policy and Management, the funds must be obligated by September 30, 2024, and be aligned to one of the following five state-level priorities:

- Learning Acceleration, Academic Renewal, and Student Enrichment
- Family and Community Connections
- Social, Emotional, and Mental Health of the Students and of our School Staff
- Strategic Use of Technology, Staff Development, and the Digital Divide
- Building Safe and Healthy Schools

Mr. Moccio thanked the administrators and leadership team for sending their proposals as well as Mr. Autieri for his help in writing and submitting the ARP-ESSER grant and discussed the potential approval timeline of the grant.

Mr. Moccio said that the ARP ESSER application, as submitted, includes a variety of items that have been previously discussed and communicated with parents through Zoom sessions. Some of the facility improvements included in the grant have been discussed during previous Board of Education meetings and were halted with the onset of the pandemic. As with previous grants, the ARP ESSER continues to emphasize academic supports to address learning loss and provide opportunities for learning acceleration and recovery. The initiatives included in the district's grant application makes strides toward completing specific projects that are necessary in the district and when completed will not result in a "financial cliff" when grant funding is exhausted.

Mr. Moccio provided Board members with the grant application's overall budget by object code, along with a bulleted list of items, as submitted to CSDE for approval. Board members were also provided with an overview of how the different items of the grant were broken down.

Mrs. Davis stated that the grant funding would not be enough to cover the previously mentioned property items and that the Board of Finance should be asked should additional funding be required for a project that

involved a safety issue. Ms. Shegogue discussed the geothermal issues at Stafford Elementary School. Mr. Moccio stated that he was working on an update regarding this specific concern.

Mr. Moccio stated he could answer any additional questions via email.

D. Update on the Food Service Program

Mr. Moccio reminded the members of the Board and the public that each student is eligible to receive a free breakfast and lunch each day for the entire school year. Mr. Moccio stated that many students were taking advantage of this.

Ms. Pelletier, Director of Food Services, stated that the number of students taking advantage of the free meals is high. Ms. Pelletier shared feedback that some families are not aware of the free meal program at this time and outlined the importance of students receiving nutritious meals during their time in school to aid their learning. Mr. Moccio stated that there were notifications send out via School Messenger regarding this program and discussed potentially sending home paper notices.

Mr. Moccio addressed the student representatives for input. Mr. Moccio suggested adding information regarding the program into the daily school announcements.

E. Update on Self-Funded Insurance through June 2021

Mrs. Peters stated the self-funded insurance report is through June 30, 2021. Mrs. Peters stated the receipts for the year were consistent with what they were last year. Mrs. Peters explained the following:

- The health receipts increased by \$865 and dental receipts were lower by \$229. Last year there was no increase in insurance premiums.
- The medical claims decreased overall for the year. The medical claims, plus fees decreased on average of \$73,000 per month.
- The stop loss fee was \$125,000.
- Dental claims were increased by \$235 per month.
- Last year started with \$876,000 and ended with \$464,000. Most of the loss was last summer between July and August. This year, there is an increase to the medical premiums, and there will likely be an increase in the remaining balance.

Item VIII. Public Forum

A member of the audience asked if there will be a plan in place for students that are required to quarantine. Mr. Autieri provided an overview of the remote plan that would be utilized for students placed on quarantine.

Item IX. Old Business

There was no Old Business.

Item X. New Business

There was no New Business.

Item XI. Personnel Matters

A. Superintendent of Schools' Evaluation

Mrs. Shegogue explained that at the last regular meeting, Mr. Moccio's evaluation was finalized. However, there was a technical issue, and the vote was not recorded. Mrs. Locke made a motion, seconded by Mrs. Davis, that the Board extend the Superintendent's contract for one-year and change the contract language to read, as follows: "the term of said employment is from July 1, 2021 – June 30, 2024". Ms. Bachiochi, Mrs. Davis, Mr. Delano, Mrs. Locke, and Ms. Lybarger voted for the motion, which carried.

Item XII. Student Matters

There were no Student Matters.

Item XIII. Adjournment

Mrs. Davis made a motion, seconded by Ms. Lybarger, to adjourn. Ms. Bachiochi, Mrs. Davis, Mr. Delano, Mrs. Locke, and Ms. Lybarger voted for the motion, which carried. The meeting adjourned at 7:26 p.m.

**Respectfully submitted,
Christine C. Marinelli / Sara Sarwar, Recording Secretaries**

Sonya Shegogue, Chairperson

Andrea Locke, Secretary

MEMO

OFFICE OF THE SUPERINTENDENT OF SCHOOLS

TO: Board of Education
FROM: Steven A. Moccio, Superintendent of Schools 
SUBJECT: Obsolete Equipment – Stafford Elementary School

Attached, please find a memorandum from Ms. Mary Claire Manning, Principal of Stafford Elementary School, detailing a list of materials she is requesting be declared as obsolete. The listed items are no longer relevant and do not support the science curriculum.

Per Board of Education policy 3260-*Sales and Disposal of Books, Equipment, and Supplies*, such obsolete equipment must be returned to the Town of Stafford prior to disposal. Should the Board of Education approve labeling the materials obsolete, the district will first offer them to the town. Should the town decline the materials, the district will assume responsibility for proper disposal.

RECOMMEND the Board of Education approve the return of the obsolete materials, as detailed on the attached memorandums, to the Town of Stafford, in accordance with the provisions of Board policy 3260-*Sales and Disposal of Books, Equipment, and Supplies*.

To: Superintendent Moccio

From: Mary Claire Manning, Principal
Stafford Elementary School

Re: Obsolete Equipment

These materials do not support our current science curriculum and as a result have been deemed obsolete as they are no longer relevant. With approval, we are looking to dispose of these items.

MEMO**OFFICE OF THE SUPERINTENDENT OF SCHOOLS**

TO: Board of Education
FROM: Steven A. Moccio, Superintendent of Schools 
SUBJECT: Notification of Donation to the Athletics Department

According to Stafford Board of Education Policy #3280, the school principal and/or designee may approve gifts, grants, and bequests to a school that are valued at \$500 in total or under...The Superintendent of Schools may approve gifts, grants, and bequests that are valued over \$500...The Superintendent shall inform the Board of Education of any gift valued at more than \$500 that has been accepted by the district.

This memo is to notify the Board of Education that I have accepted the donation of a golf cart to the Stafford Public Schools Athletic Department. The department has been requesting an additional cart and were approached by Corey and Jessica Benoit, who wish to donate their used cart (see picture below). The cart, which is valued at between \$500-\$800, will be used by Mr. Frassinelli and his staff to navigate between the playing fields.

MEMO

OFFICE OF THE SUPERINTENDENT OF SCHOOLS

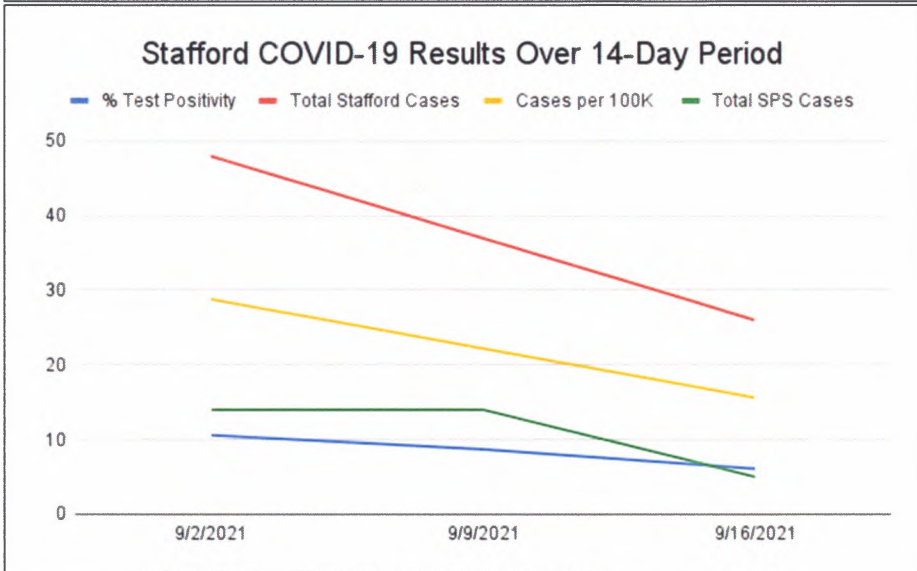

TO: Board of Education
 FROM: Steven A. Moccio, Superintendent of Schools 
 SUBJECT: Update Regarding District COVID-19 Cases

The purpose of this memorandum is to provide an update regarding the total number of positive COVID-19 cases to date in the district, as well as the total number of students and staff that have been required to self-quarantine due to being identified as a “close contact”. The table below includes totals beginning the week of August 23, 2021, as that is when 10-month staff were first required to report to school.

Location	Total Enrollment	Total Cases (staff & students)	Total Self-Quarantine due to Cases (staff & students)
	as of Sept 8	as of Sept 8	as of Sept 8
West Stafford	188 (87 PreK)	1	1
Stafford Elementary	469	14	10
Stafford Middle	353	7	1
Stafford High	366	2	9
District Staff	N/A	0	0
Totals	1376	24	21

The Connecticut State Department of Education (CSDE) continues to emphasize vaccination as the most important and effective strategy for preventing COVID-19 infections and transmission in schools and other settings. On September 10, 2021, Governor Lamont issued Executive Order 13G, *Protection of Public Health and Safety During COVID-19 Pandemic – Vaccinations Requirements for State Employees, School Staff, and Child Care Workers*. The order mandates that all non-exempt Connecticut PreK-12 school employees be fully vaccinated against COVID-19 by September 27, 2021, or undergo weekly testing. The District is required to authenticate, maintain documentation, report compliance, and verify those weekly test results “in a form and manner directed by the Department of Public Health.” The Department of Public Health (DPH) provided the guidance late Friday, September 17, 2021. As of this memo, 26 employees are required to complete weekly testing and eight (8) are in the process of completing the vaccination process.

Included below are graphs comparing COVID-19 results and the number of students required to self-quarantine by school, the Town of Stafford results over a 14-day period, as well as a breakdown of vaccination status by age group. In the past, State and County data indicators have been provided to the Board for the same 14-day period for comparison. Unfortunately, the data is no longer available from the State COVID-19 data portal and could not be included.

MEMO

OFFICE OF THE SUPERINTENDENT OF SCHOOLS

TO: Board of Education
FROM: Steven A. Moccio, Superintendent of Schools 
SUBJECT: Financial Report, July 1, 2021 through August 31, 2021

Attached is a financial report, sorted by object code, of funds budgeted and encumbered/expended from July 1, 2021, through August 31, 2021, as prepared by Mrs. Diane Peters, Business Manager.

The total budget for the 2021-2022 school year is \$29,086,760.86. As indicated in the attached memorandum, the expenses year to date total \$2,782,328.18, or 9.57% of the total budget.

In addition, the district has received communication from the Connecticut State Department of Education (CSDE) that minor revisions were necessary in the American Relief Plan (ARP), Elementary and Secondary School Emergency Relief (ESSER) Fund application through the CARES Act. Those revisions have been completed and the application has been re-submitted to the CSDE.

Mrs. Peters will be in attendance at the meeting on September 27, 2021, to provide more specific information regarding object codes and respond to questions from the Board.

MEMO

Date: September 21, 2021
To: Steven Moccio, Superintendent of Schools
From: Diane Peters, Business Manager
Subject: Financial Report as of August 31, 2021

Attached you will find the year to date expenditure report for the period of July 1 and August 31, 2021.

Year to date expenditures and encumbrances reported are for salaries as of August 31. The first payroll for ten-month employees was run on August 27; encumbrances are being updated as new hires are entered into the system. There are still many vacancies throughout the object codes. The year to date expenditures total \$1,131,122.85.

Health and dental insurance will not encumber until deductions begin in payroll in September. Payment was made for the employee portion of health savings in July. Life insurance, disability and unemployment are encumbered for the year.

Professional services, line 300, covers mandated contracted services for students, as well as mandatory in-service and training for employees, legal fees, the cost of an athletic trainer to maintain the athletic programming requirements and audit fees. The remaining balance as of August 31 is \$210,605.85.

Repairs, rental and other property services cover expenses such as the copier lease, trash removal and repairs to facilities. The remaining balance in the Repairs, Rental and Other Property Services is \$302,413.45.

Transportation, tuition and other services have a remaining balance of \$1,540,231.74. Regular transportation services have been encumbered; summer school tuition has either been encumbered or paid.

Utilities have been encumbered for the year. Fuel oil and propane have also been encumbered for the year. The remaining balance as of August 31 is \$247,525.51.

Line 700, equipment and software expenditures is showing encumbrances for software licenses and annual support. The remaining balance for this line is \$127,136.80.

The 800 line of the budget covers various membership dues, licensing fees and a debt service line for the solar project lease payment. Overall, the line has a remaining balance of \$168,131.83.

The unspent, unreserved amount of the 2021-22 budget is \$7,822,606.562 or 26.9%. Year to date expenses represent 9.57% of the total budget.

MEMO

OFFICE OF THE SUPERINTENDENT OF SCHOOLS

TO: Board of Education
FROM: Steven A. Moccio, Superintendent of Schools 
SUBJECT: Review and Possible Approval of the Elementary Standards-Based Report Cards

Attached is a memorandum from Mr. Steve Autieri, Director of Curriculum & Instruction, regarding the process he led to revise the elementary report cards. Mr. Autieri led a committee of curriculum specialists, teachers, and administrators over the past year to revise the elementary report cards and align them to grade-level standards and learning expectations.

The revised report cards include a section to communicate progress on Academic Performance Indicators, as well as a section to communicate progress on the Portrait of the Graduate Learner Qualities. When combined, these indicators and qualities will provide the parent / guardian with a comprehensive update on the student's academic performance data. Accompanying grading guides were also created and will assist teachers in aligning expectations across the grade level, while also serving as a springboard for dialogue during parent-teacher conferences.

Mr. Autieri will be present at the Board meeting on September 27, 2021, to provide more specific information and respond to questions from the Board.

RECOMMEND the Board of Education approve the revised K-5 standards-based report cards for implementation during the 2021-2022 school year.

Memorandum

From the Office of Curriculum and Instruction, Stafford Public Schools

Date: September 21, 2021
To: Mr. Steven Moccio, Superintendent of Schools
From: Mr. Steven Autieri, Director of Curriculum & Instruction
Re: Elementary-Standards Based Report Card K-5

As we strive to continue to strengthen our home-school partnership, our district continues to examine strategies for communicating academic performance data to families. A committee of curriculum specialists, teachers and administrators came together over the past year to complete the revision process for the elementary report card to reflect grade-level standards and learning expectations. The indicators represented throughout the reporting tool reflect the rigorous state and national standards frameworks. These expectations also form the foundation for the development of the district's curriculum and local assessment measures.

The new reporting tool consists of two major sections to measure student progress. The Academic Performance Indicators and the Portrait of the Graduate Learner Qualities include indicators that present a picture of academic growth over time. The SPS Portrait of the Graduate Framework developed beginning in the 2019-2020 school year defines the key skills and dispositions for all Stafford students to be college and career ready.

The new report cards will be distributed to families beginning with the conclusion of the first marking period in November 2021. Faculty and staff will utilize the accompanying grading guides to help focus dialogue for supporting student success during the initial parent-teacher conferences in the winter of 2021. All supporting documents will be added to a page within the Office of Curriculum and Instruction webpage on the district website.

A special thanks and acknowledgement to the following staff for their expertise, suggestions, and development of the new report cards: Kim Robbins (WSS), Kirstie McQuaid (SES), Jen Ledbetter (WSS), Deb Geer (SES), Adrian DePellegrini (SES), Sue Bourque (SES), Sarah Gordon (SES), Keith Holland (SES), Sarah Myles (SES), Jen Miller (SES), Sandra O'Gara (SES), Gillian Bienvenu (SES), Sharon Mlyniec (SES), Lisa Lobik (Literacy Leader), Marcia Jacobs (Math Leader), and Lynn Erickson (District Technology Integrationist).

With your approval and that of the Stafford Board of Education, the Office of Curriculum and Instruction seeks to officially commence the adoption process for the revised standards-based elementary report cards for teachers and students in Grades K-5 for the 2021-2022 school year.

Academic Performance Indicators
4 – Consistently and independently demonstrates mastery in the grade level standards
3 – Progressing toward mastery of the grade level standards
2 – Requires strategic support in reaching mastery of the grade level standards
1 – Requires significant support in reaching mastery of the grade level standards

Mathematics	Nov	Mar	Jun
Counting & Cardinality			
Knows number names and the count sequence			
Reads and writes numbers			
Count to tell the number of objects			
Compares numbers			
Operations & Algebraic Thinking			
Understands addition as putting together and adding to, and understands subtraction as taking apart or taking from			
Fluently adds and subtracts within 5			
Measurement & Data			
Describes and compares measurable attributes			
Classifies objects and counts the numbers of objects in each category			
Numbers and Operations in Base Ten			
Works with numbers 11-19 to gain foundations for place value			
Geometry			
Identifies and describes shapes			
Analyzes, compares, creates, and composes shapes			

Literacy	Nov	Mar	Jun
Foundational Reading Skills			
Demonstrates understanding of spoken words, syllables, and sounds			
Recognizes/understands letter-sound relationships			
Applies phonics and word analysis skills			
Reads high frequency and trick words			
Reading: Literature & Informational Text			
Retells using details			
Demonstrates stamina during reading			
Writing & Language Skills			
Applies handwriting skills and writes legibly			
Applies language conventions			
Produces narrative, opinion, and informational writing			
Applies spelling and phonics patterns			
Demonstrates stamina during independent writing			
Speaking and Listening			
Listens attentively			
Communicates clearly when speaking			
Contributes to classroom conversations			

Technology	Nov	Mar	Jun
Demonstrates understanding of basic technology operations and concepts			
Uses a variety of digital tools to complete tasks			
Responsible digital citizen

Portrait of the Graduate Learner Qualities	Nov	Mar	Jun
Communicator			
Uses effective communication skills to work with individuals from diverse backgrounds			
Initiates respectful discourse when approaching tasks with a group			
Utilizes technological applications in a responsible manner to work effectively			
Collaborator			
Accepts constructive feedback and uses it to grow			
Understands strategies to resolve conflict and maintain effective relationships			
Contributor			
Participates in a manner that promotes the success of the classroom community			
Actively participates in classroom conversations that support learning			
Critical Thinker			
Demonstrates flexibility in thinking and problem solving			
Engages in self-directed learning that includes reflection on feedback			
Social Studies			
Identifies similarities and differences among people and cultures	Nov	Mar	Jun
Recognizes the characteristics of different types of communities			
Uses evidence to communicate conclusions			
Science			
Uses scientific phenomenon to make observations and formulate questions	Nov	Mar	Jun
Utilizes data and observations to generate conclusions			
Creates scientific models to represent relationships			
Demonstrates an understanding of key scientific concepts and principles			

Art			
Demonstrates and applies knowledge of concepts taught to produce original art	Nov	Mar	June
Uses art materials with skill, care, and intent			
Music			
Demonstrates an understanding of musical concepts	Nov	Mar	June
Accurately performs melodic activities			
Accurately performs rhythmic activities			
Physical Education			
Skills/Knowledge			
Demonstrates understanding and performance of motor skills (basic locomotor to sport specific skills)			
Applying Concepts & Strategies/Engaging in Physical Activity			
Exhibits an understanding of skills, concepts, and strategies while regularly participating in physical activity			
Social Responsibility			
Exhibits responsible personal and social behavior that respects self and others in physical activity settings			
Health Education			
Exhibits developmentally appropriate personal and social behaviors of respect, self-control, cooperation and interaction with others during physical activity	Nov	Mar	June
Demonstrates cooperative and responsible behavior that respects self and others

Foundational Reading Skills			
Applies phonics and word analysis skills			
Reads high frequency and trick words			
Reads text accurately and fluently			
Reading: Literature & Informational Text			
Shows literal comprehension using text evidence			
Demonstrates higher level comprehension skills using text evidence			
Demonstrates stamina during reading			
Writing & Language Skills			
Applies handwriting skills and writes legibly			
Produces narrative, opinion, and informational writing			
Applies language conventions			
Applies phonics and word analysis skills for spelling			
Demonstrates stamina during independent writing			
Speaking and Listening			
Listens attentively			
Communicates clearly when speaking			
Contributes to classroom conversations			

Mathematics	Nov	Mar	Jun
Operations & Algebraic Thinking			
Represents and solves problems involving addition and subtraction			
Understands and applies properties of operations and the relationship between addition and subtraction			
Adds and subtracts within 20			
Works with addition and subtraction equations			
Number & Operations in Base Ten			
Understands the sequence of numbers			
Understands place value			
Uses place value understanding to add and subtract			
Measurement & Data			
Measures lengths using nonstandard units			
Tell and write time			
Represents and interprets data			
Geometry			
Reasons with shapes and their attributes			

Technology	Nov	Mar	Jun
Demonstrates understanding of basic technology operations and concepts			
Uses a variety of digital tools to complete tasks

Solves problems involving measurement and estimation of time/volume/mass			
Represents and interprets data			
Understands concepts of area and relates area to multiplication and addition			
Geometry			
Understands shapes and their attributes			

Technology	Nov	Mar	Jun
Demonstrates understanding of basic technology operations and concepts and applies keyboarding skills			
Uses digital tools and software to produce work			
Responsible digital citizen			

Student Name:

Student ID #:

Academic Performance Indicators
4 – Consistently and independently demonstrates mastery in the grade level standards
3 – Progressing toward mastery of the grade level standards
2 – Requires strategic support in reaching mastery of the grade level standards
1 – Requires significant support in reaching mastery of the grade level standards

Portrait of Graduate Learner Qualities	Nov	Mar	Jun
Communicator			
Uses effective communication skills to work with individuals from diverse backgrounds			
Initiates respectful discourse when approaching tasks with a group			
Utilizes technological applications in a responsible manner to work effectively			
Collaborator			
Accepts constructive feedback and uses it to grow			
Understands strategies to resolve conflict and maintain effective relationships			
Contributor			
Participates in a manner that promotes the success of the classroom community			
Actively participates in classroom conversations that support learning			
Critical Thinker			
Demonstrates flexibility in thinking and problem solving			
Engages in self-directed learning that includes reflection on feedback			
Teacher Comments			
November:			
March:			
June:			

Social Studies	Nov	Mar	Jun
Identifies similarities and differences among people and cultures			
Recognizes the characteristics of different types of communities			
Uses evidence to communicate conclusions			
Science	Nov	Mar	Jun
Plan and conduct experiments to produce data to serve as evidence to answer questions			
Analyzing data and observations to generate conclusions			
Creates scientific models to represent relationships			
Demonstrates an understanding of key scientific concepts and principles			

Art	Nov	Mar	June
Demonstrates and applies knowledge of concepts taught to produce original art			
Uses art materials with skill, care, and intent			
Music	Nov	Mar	June
Demonstrates an understanding of musical concepts			
Accurately performs melodic activities			
Accurately performs rhythmic activities			
Physical Education	Nov	Mar	June
Skills/Knowledge			
Demonstrates understanding and performance of motor skills (basic locomotor to sport specific skills)			
Applying Concepts & Strategies/Engaging in Physical Activity			
Exhibits an understanding of skills, concepts, and strategies while regularly participating in physical activity			
Social Responsibility			
Exhibits responsible personal and social behavior that respects self and others in physical activity settings			
Health Education	Nov	Mar	June
Exhibits developmentally appropriate personal and social behaviors of respect, self-control, cooperation and interaction with others during physical activity			
Demonstrates cooperative and responsible behavior that respects self and others			

Student Name:

Student ID Number:

Teacher Name:

Principal: Ms. Manning

School Year: 2021-2022

Stafford Public Schools

Grade 4 Report Card

Stafford Elementary School

11 Levinthal Run

(860) 684-6677

Student Attendance:

	Nov	Jan	June
Absent			
Tardy			
Dismissal			

Academic Performance Indicators

- 4 – Consistently and independently demonstrates mastery in the grade level standards
- 3 – Progressing toward mastery of the grade level standards
- 2 – Requires strategic support in reaching mastery of the grade level standards
- 1 – Requires significant support in reaching mastery of the grade level standards

Literacy	Nov	Mar	Jun
Foundational Reading Skills			
Reads text accurately and fluently to support comprehension			
Reading: Literature & Informational Text			
Shows literal comprehension skills using text evidence			
Uses multiples texts to analyze, evaluate, and show understanding of concepts			
Acquires and uses vocabulary			
Demonstrates stamina during independent reading			
Writing & Language Skills			
Produces organized writing appropriate to task and audience			
Writes with details and elaboration			
Draws from a variety of resources to support writing			
Strengthens writing by focusing on a topic, revising and editing			
Applies language usage, language conventions, and apply spelling skills			
Demonstrates stamina during independent writing			
Speaking and Listening			
Listens attentively			
Communicates clearly when speaking			
Contributes to classroom conversations			
Contributes to collaborative discussions			

Mathematics	Nov	Mar	Jun
Operations & Algebraic Thinking			
Solves multi-step word problems with whole numbers using the four operations			
Identifies factors and multiples of a given number			
Generates and analyzes patterns			
Number & Operations in Base Ten			
Understands place values to the millions			
Rounds multi-digit whole numbers to any place to find a reasonable estimate to a given math problem			
Fluently adds and subtracts multi-digit numbers			
Uses place value understanding to multiply and divide multi-digit numbers			
Numbers and Operations in Fractions			
Identifies equivalent fractions			
Compares and orders fractions with like and unlike denominators			
Adds and subtracts fractions and mixed numbers with like denominators			
Multiplies a fraction by a whole number			
Creates equations from given fractions			
Compares orders and adds decimals and fractions with denominators of 10 and 100			
Measurement and Data			
Solves problems involving measurement and conversion of measurements			
Represents and interprets data			
Understands concepts of angle and measure angles			
Geometry			
Draws and identifies lines and angles, and classifies shapes by properties of their lines and angles			

Technology	Nov	Mar	Jun
Demonstrates understanding of basic technology operations and concepts and applies keyboarding skills			
Uses digital tools and software to produce work			
Responsible digital citizen

ELA Mastery Scale			
1 Student requires significant support in reaching mastery of the grade level standards.	2 Student requires strategic support in reaching mastery of the grade level standards.	3 Student is progressing toward mastery of the grade level standards.	4 Student consistently and independently demonstrates mastery of the grade level standards.
<ul style="list-style-type: none"> ~Requires ongoing support and does not work independently ~Needs multiple reinforcements and reteaching to apply new learning ~Struggles to complete tasks and prepares for the next step with scaffolds and intense interventions ~Requires redirection and reminders ~Requires intensive support to use of a variety of strategies ~Unable to demonstrate comprehension with prompts for both verbal and written responses ~Needs coaching to use resources and tools independently ~ With prompts and reminders reflects and adjusts goals to fit the task ~Meets adversity with apprehension and requires encouragement to remain engaged in the task. 	<ul style="list-style-type: none"> ~Requires ongoing support and struggle to work independently ~Needs multiple reinforcements and reteaching to apply new learning ~Completes some tasks and prepares for the next step with scaffolds and support ~Needs redirection and reminders ~Requires coaching and practice to use of a variety of strategies ~Inconsistently demonstrates comprehension with prompts for both verbal and written responses ~Needs coaching to use resources and tools independently ~ With prompts and reminders reflects and adjusts goals to fit the task ~Meets adversity with apprehension and requires encouragement to remain engaged in the task. 	<ul style="list-style-type: none"> ~Requires some coaching to work independently ~Needs some reinforcement and guidance to apply new learning ~Completes tasks and prepares for the next step with some guidance and reminders ~Uses time wisely with some redirection ~Requires some minimal coaching to encourage the use of a variety of strategies ~Demonstrates comprehension with prompts for both verbal and written responses ~Needs some coaching to use resources and tools independently ~ With prompts, reflects and adjusts goals to fit the task ~Meets adversity with a positive attitude but requires minimal encouragement at times to persevere. 	<ul style="list-style-type: none"> ~Initiates a plan for independent work ~Apply new learning with little to no extra support ~Demonstrates stamina ~Independently complete tasks and prepares for the next task ~Uses time wisely ~Shows flexibility in using different reading/ strategies ~Demonstrates comprehension of text in variety of ways including both verbally and in writing ~Uses text evidence to support opinions/conclusions ~Utilizes resources and tools ~Reflects and adjusts goals to fit the task ~Meets adversity with a positive attitude and perseveres

Domain: Foundational Skills (Phonological Awareness & Phonics)

Report Card Indicator: Applies Phonics and Word Analysis Skills (Phonological Awareness and Phonics Skills)

Description: Student demonstrates proficiency in the blending and manipulation of sounds in order to decode accurately. Phonics is the ability to

correlate sounds with letters or groups of letters. Word analysis is the ability to break words into meaningful parts.

<p>Marking Period 1</p>	<ul style="list-style-type: none"> ~Decodes one and two syllable words with (v-e and closed) ~Identifies baseword and suffix ~Distinguishes between patterns for both long vowel (v-e) and short vowel sounds ~Recognizes new words in reading, use grade level vocabulary <p>Possible Data Points: Foundations Unit Tests: >79% on Units 1-4, Foundations Observations, BAS, LLI Informal Assessments</p>
<p>Marking Period 2</p>	<ul style="list-style-type: none"> ~Distinguishes between long and short vowels ~ Identifies vowel teams as well as r-controlled sounds for both decoding ~Identifies word structures such as digraphs, basewords, suffixes and syllable types, suffixes and syllable types (closed, open, v-e) ~Blends and segments syllables up to 6 sounds ~Recognizes new words in reading, use grade level vocabulary <p>Possible Data Points: Foundations Unit Tests: >79% on Units 5-10, Foundations Observations, BAS, LLI Informal Assessments</p>
<p>Marking Period 3</p>	<ul style="list-style-type: none"> ~Distinguishes between long and short vowels ~Identifies vowel teams as well as r-controlled for both decoding and encoding ~Identifies word structures such as digraphs, basewords, suffixes and syllable types, suffixes and syllable types (6) ~Blends and segments up to 6 sounds in a syllable ~Recognizes new words in reading, use grade level vocabulary <p>Possible Data Points: Foundations Unit Tests: >79% on Units 11-17, Foundations Observations, BAS, LLI Informal Assessments</p>
<p>Report Card Indicator: Reads High Frequency and Trick Words</p>	
<p>Description: Student able to recognize high frequency words by sight. High-frequency words are the most commonly used words in printed text and over 50% of all text is composed of them. High Frequency words are not always decodable.</p>	
<p>Marking Period 1</p>	<ul style="list-style-type: none"> ~Reads second grade trick word and high frequency words with automaticity ~Reads identified words in both isolation and in authentic text <p>Student will be able to read >90% of the first 132 designated words for second grade.</p>
<p>Marking Period 2</p>	<ul style="list-style-type: none"> ~Reads second grade trick word and high frequency words with automaticity

	<p>~Reads identified words in both isolation and in authentic text</p> <p>Student will be able to read >90% of the first 190 designated words for second grade.</p>
Marking Period 3	<p>~Reads second grade trick word and high frequency words with automaticity</p> <p>~Reads identified words in both isolation and in authentic text</p> <p>Student will be able to read >90% of the 249 designated words for second grade.</p>
Report Card Indicator: Reads Text Accurately and Fluently to Support Comprehension	
Description: Student consistently and evenly manages rate, phrasing, pausing, and expression as they read instructional level reading materials.	
Marking Period 1	<p>~ Reads grade level materials maintaining an appropriate rate and expression</p> <p>~ Reads smoothly at a rate that reflects the demands of the text</p> <p>~ Uses strategies necessary to read accurately and with automaticity appropriate for the task</p> <p>Possible Data Points: Reads a level K with 95% accuracy, Proficient in the Dimensions Fluency Scale (scores between 12-18), Informal Running Records</p>
Marking Period 2	<p>~Reads grade level materials maintaining an appropriate rate and expression</p> <p>~Reads smoothly at a rate that reflects the demands of the text</p> <p>~Uses strategies necessary to read accurately and with automaticity appropriate for the task</p> <p>Possible Data Points: Reads a level L with 95% accuracy, Proficient in the Dimensions Fluency Scale (scores between 12-18), Informal Running Records</p>
Marking Period 3	<p>~Reads grade level materials maintaining an appropriate rate and expression</p> <p>~Reads smoothly at a rate that reflects the demands of the text</p> <p>~ Uses strategies necessary to read accurately and with automaticity appropriate for the task</p> <p>Possible Data Points: Reads a level M with 95% accuracy, Proficient in the Dimensions Fluency Scale (scores between 12-18), Informal Running Records</p>

Domain: Reading- Literature & Informational

Report Card Indicator: Shows Literal Comprehension Using Text Evidence

Description: Student demonstrates understanding of a variety of text by retelling with important details, identifying the main idea or story elements.	
Marking Period 1	<ul style="list-style-type: none"> ~Asks/answers questions such as who, what, where, when, why, and how ~Communicates the important events in the story ~Names information explicitly stated in nonfiction text ~Can construct sentences using vocabulary words in context ~Uses literary terms such as story elements <p>Possible Data Points: BAS (score 2-3 on “within text” section), Informal LLI Assessments, Small Group/Conferring Observations, Turn and Talks</p>
Marking Period 2	<ul style="list-style-type: none"> ~Asks/answers questions such as who, what, where, when, why, and how ~Communicates the important events in the story ~Names information explicitly stated in nonfiction text ~Can construct sentences using vocabulary words in context ~Uses literary terms such as story elements <p>Possible Data Points: BAS (score 2-3 on “within text” section), Informal LLI Assessments, Small Group/Conferring Observations, Turn and Talks</p>
Marking Period 3	<ul style="list-style-type: none"> ~Asks/answers questions such as who, what, where, when, why, and how ~Communicates the important events in the story ~Names information explicitly stated in nonfiction text ~Can construct sentences using vocabulary words in context ~Uses literary terms such as story elements <p>Possible Data Points: BAS (score 2-3 on “within text” section), Informal LLI Assessments, Small Group/Conferring Observations, Turn and Talks</p>
Report Card Indicator: Demonstrates Higher Level Comprehension Skills Using Text Evidence	
Description: Student demonstrates understanding of a variety of text by consistently making inferences (including setting and characters for fiction) about meaning based on the illustrations and/or text and provides evidence. Student demonstrates the ability to talk about the author's craft including genre characteristics as well as text features and structures. Student is able to form an opinion about the text. Consistently makes connections between the content and personal experiences or other texts.	
Marking Period 1	<ul style="list-style-type: none"> ~Makes inferences about meaning based on illustrations AND/OR text ~Makes connections between content and personal experiences or other text <p>Possible Data Points: BAS (score 2-3 on both the “beyond text” & “about text,” sections), Informal LLI Assessments, Small Group/Conferring Observations, Turn and Talks</p>
Marking Period 2	~Makes inferences about meaning based on illustrations AND/OR text

	<ul style="list-style-type: none"> ~Makes connections between content and personal experiences or other text ~Speaks to text structures ~Compares and contrasts information from multiple texts <p>Possible Data Points: BAS (score 2-3 on both the “beyond text” & “about text,” sections), Informal LLI Assessments, Small Group/Conferring Observations, Turn and Talks</p>
Marking Period 3	<ul style="list-style-type: none"> ~Makes inferences about meaning based on illustrations AND/OR text ~Makes connections between content and personal experiences or other text ~Names genre and characteristics ~Thinks analytically about text using academic vocabulary ~Speaks to text structures ~Names opinions about the characters and backs it up with text evidence ~Names lesson or moral of a story and uses evidence to back it up <p>Possible Data Points: BAS (score 2-3 on both the “beyond text” & “about text,” sections), Informal LLI Assessments, Small Group/Conferring Observations, Turn and Talks</p>
Report Card Indicator: Demonstrates Stamina During Reading	
Description: Student shows stamina through persevering and maintaining focus during the reader's workshop. Student maintains focus for 20-30 minutes of independent reading and 10 minutes of partner reading.	
Marking Period 1	<ul style="list-style-type: none"> ~Requires no support to persevere with independent and partner reading tasks. ~Engages in volumes of reading across a variety of genres. ~Reads books with varying text complexities ~Contributes to partnerships ~Stays engaged in book conversations ~Maintains 20+ minutes of independent reading time <p>Possible Data Points: Observations</p>
Marking Period 2	<ul style="list-style-type: none"> ~Requires no support to persevere with independent and partner reading tasks. ~Engages in volumes of reading across a variety of genres. ~Reads books with varying text complexities ~Contributes to partnerships ~Stays engaged in book conversations ~Perseveres during research looking at multiple resources ~Maintains 25+ minutes of independent reading time <p>Possible Data Points: Observations</p>

Marking Period 3	<ul style="list-style-type: none"> ~Requires no support to persevere with independent and partner reading tasks. ~Engages in volumes of reading across a variety of genres. ~Reads books with varying text complexities ~Contributes to partnerships and Series Book clubs ~Stays engaged in book conversations ~Perseveres during research looking at multiple resources ~Maintains 30+ minutes of independent reading time <p>Possible Data Points: Observations</p>
-------------------------	--

Domain: Writing & Language	
Report Card Indicator: Writes for a Specific Purpose Using Organization	
<p>Description: Student produces organized writing across three genres; opinion, narrative, and informational. Student shows an organizational structure that fits the purpose and intended audience. The structure includes key components; introduction, use of transitional phrases, conclusion, progression of ideas, connections between and among ideas.</p>	
<p>Marking Period 1</p>	<ul style="list-style-type: none"> ~Maintains focus for purpose, task, and audience ~Uses key components of story ~Sequences the story so that it makes sense ~Uses a well organized structure with fluent transitions ~Connects ideas <p><i>Consistently scores a 3 or 4 in mostly all the categories on the Structure section of the LC rubric. (narrative)</i></p> <p>Possible Data Points: On Demand, Process Pieces, Writing Samples</p>
<p>Marking Period 2</p>	<ul style="list-style-type: none"> ~Maintains focus for purpose, task, and audience ~Uses key components of essay structure ~Uses a well organized structure with fluent transitions ~Connects ideas ~Hooks readers with a clear introduction ~Develops a conclusion that keeps the reader thinking about the topic

	<p>Consistently scores a 3 or 4 in mostly all the categories on the Structure section of the LC rubric. (informational, narrative-poetry)</p> <p>Possible Data Points: On Demand, Process Pieces, Writing Samples</p>
Marking Period 3	<p>~Maintains focus for purpose, task, and audience ~Uses key components of story and essay structure ~Uses a well organized structure with fluent transitions ~Connects ideas</p> <p>Consistently scores a 3 or 4 in mostly all the categories on the Structure section of the LC rubric. (opinion, informational)</p> <p>Possible Data Points: On Demand, Process Pieces, Writing Samples</p>
Report Card Indicator: Writes with Detail and Elaboration	
Description: Student demonstrates the ability to add evidence and details that fit the purpose of writing to extend their thinking. Student demonstrates the ability to apply craft moves and techniques in their own writing. Student does this through the use of dialogue, support/evidence, precise language and facts.	
Marking Period 1	<p>~Uses details, dialogue, and action ~Uses precise language and strong words to show feelings of my characters ~Uses words to help the reader picture what's happening in the story ~Uses new vocabulary in conversations and in writing</p> <p>Consistently scores a 4 in most categories on the Development section of the Lucy Calkins Writing Unit. (narrative)</p> <p>Possible Data Points: On Demand, Process Pieces, Writing Samples</p>
Marking Period 2	<p>~Uses details, facts, definitions, steps and tips ~Uses precise language/domain specific vocabulary ~Uses sensory details to help the reader picture what's happening in poetry ~Uses details, descriptions to bring the story to life ~Uses new vocabulary in conversations and in writing</p> <p>Consistently scores a 4 in most categories on the Development section of the Lucy Calkins Writing Unit. (informational, narrative-poetry)</p> <p>Possible Data Points: On Demand, Process Pieces, Writing Samples</p>
Marking Period 3	<p>~Provides reasons for an opinion ~Provides adequate support and wrote at least a few sentences about each one ~Uses details, facts, definitions, steps and tips ~Uses precise language/domain specific vocabulary ~Uses new vocabulary in conversations and in writing</p>

	<p>Consistently scores a 4 in most categories on the Development section of the Lucy Calkins Writing Unit. (opinion and informational-lab reports)</p> <p>Possible Data Points: On Demand, Process Pieces, Writing Samples</p>
<p>Report Card Indicator: Strengthens Writing by Focusing on a Topic, Revising, and Editing</p>	
<p>Description: Student rereads previous work to improve, makes modifications, and clarify. Student uses the unit checklist to help improve their writing. Student engages in peer conversations to provide feedback and receives feedback on their writing.</p>	
<p>Marking Period 1</p>	<p>~Strengthens writing and revises to make improvements:</p> <ul style="list-style-type: none"> ~ Adding, deleting, rearranging, and moving words and sentences <p>~Shows understanding of the writing process</p> <p>~Attempts to edit by consulting reference materials to check and correct spelling.</p> <p>~Accepts feedback from both peers/adults and uses it to improve writing</p> <p>Possible Data Points: Process Pieces, Writing Samples, Writers Notebook</p>
<p>Marking Period 2</p>	<p>~Strengthens writing and revises to make it better by:</p> <ul style="list-style-type: none"> ~ Adding, deleting, rearranging, and moving words and sentences <p>~Shows understanding of the writing process</p> <p>~Attempts to edit by consulting reference materials to check and correct spelling.</p> <p>~Accepts feedback from both peers/adults and uses it to improve writing</p> <p>Possible Data Points: Process Pieces, Writing Samples, Writers Notebook</p>
<p>Marking Period 3</p>	<p>~Strengthens writing and revises to make it better by:</p> <ul style="list-style-type: none"> ~ Adding, deleting, rearranging, and moving words and sentences <p>~Shows understanding of the writing process</p> <p>~Attempts to edit by consulting reference materials to check and correct spelling.</p> <p>~Accepts feedback from both peers/adults and uses it to improve writing</p> <p>Possible Data Points: Process Pieces, Writing Samples, Writers Notebook</p>
<p>Report Card Indicator: Applies Language Usage, Language Conventions and Spelling Patterns</p>	
<p>Description: Student uses grammar skills that show command of the language. Some of these skills include correct punctuation, sentence structure, and the ability to convey meaning through writing in a way that others can understand. Student applies grade level spelling patterns including both predictable patterns as well as trick words to his/her writing experiences.</p>	
<p>Marking Period 1</p>	<p>~Demonstrates command of grade level conventions;</p> <ul style="list-style-type: none"> ~End punctuation ~Capitalizes beginning of the sentence, proper nouns, dates, holidays ~Uses commas in dates <p>~Demonstrates ability to spelling closed syllables with blends, digraphs and word endings</p>

	<ul style="list-style-type: none"> ~Demonstrates ability to spell common trick words ~Sentences structure(simple) makes sense <p>Consistently scores a 3-4 in most categories on the Conventions section of the Lucy Calkins Writing Unit. Possible Data Points: Process Pieces, Writing Samples, Writers Notebook, On Demands</p>
Marking Period 2	<ul style="list-style-type: none"> ~Demonstrates command of grade level conventions; <ul style="list-style-type: none"> ~end punctuation ~Capitalize beginning of the sentence, proper nouns, dates, holidays ~Use commas in dates, letters, and lists ~Demonstrates ability to spelling closed syllables with blends, digraphs and word endings ~Demonstrates ability to spell common trick words ~Sentence structure(simple and compound) makes sense <p>Consistently scores a 3-4 in most categories on the Conventions section of the Lucy Calkins Writing Unit. Possible Data Points: Process Pieces, Writing Samples, Writers Notebook, On Demands</p>
Marking Period 3	<ul style="list-style-type: none"> ~Demonstrates command of grade level conventions; <ul style="list-style-type: none"> ~End punctuation ~Capitalize beginning of the sentence, proper nouns, dates, holidays ~Use commas in dates ~Demonstrates ability to spelling closed syllables with blends, digraphs and word endings ~Demonstrates ability to spell common trick words ~Sentences structure(simple) makes sense for purpose <p>Consistently scores a 3-4 in most categories on the Conventions section of the Lucy Calkins Writing Unit. Possible Data Points: Process Pieces, Writing Samples, Writers Notebook, On Demands</p>
Report Card Indicator: Demonstrates Stamina During Independent Writing	
Description: Student shows stamina through persevering, and maintaining focus during writer's workshop. Student shows independence in initiating a plan to maintain his/her focus and making changes when necessary. Student independently uses tools to move through the writing cycle.	
Marking Period 1	<ul style="list-style-type: none"> ~Writes for 25 minutes. ~Perseveres with writing tasks ~Produces volumes of writing independently and consistently ~Uses strategies to make changes and develop a plan ~Seeks out help utilizing resources and peer/adult support when looking for feedback <p>Possible Data Points: Observations</p>
Marking Period 2	<ul style="list-style-type: none"> ~Writes for 30 minutes. ~Perseveres with writing tasks

	<ul style="list-style-type: none"> ~Produces volumes of writing independently and consistently ~Uses strategies to make changes and develop a plan ~Seeks out help utilizing resources and peer/adult support when looking for feedback <p>Possible Data Points: Observations</p>
Marking Period 3	<ul style="list-style-type: none"> ~Writes for 30+ minutes. ~Perseveres with writing tasks ~Produces volumes of writing independently and consistently ~Uses strategies to make changes and develop a plan ~Seeks out help utilizing resources and peer/adult support when looking for feedback <p>Possible Data Points: Observations</p>

Domain: Speaking & Listening	
Report Card Indicator: Listens Attentively	
Description: Student uses strategies including eyes watching, ears listening, mouth quiet, and body still. Student engages in effective speaking and listening skills for a range of purposes and audiences.	
Marking Period 1	<ul style="list-style-type: none"> ~Consistently listens attentively ~Asks/Answers questions about information presented orally or visually ~Engages in interactive conversations that demonstrates listening to both adults and peers ~Uses grade level vocabulary in conversations.
Marking Period 2	
Marking Period 3	
Report Card Indicator: Communicates Clearly When Speaking	
Description: Student expresses ideas and comments in complete sentences, using age appropriate language conventions. Student speaks at a pace and volume that supports clear communication. Students speak at a pace and volume that supports clear communication.	

Marking Period 1	~Asks for clarification and further explanation as needed ~Asks and answer questions about what a speaker says ~Produces complete sentences when appropriate to task and situation
Marking Period 2	
Marking Period 3	
Report Card Indicator: Contributes to Classroom Conversations	
Description: Student's response is thoughtful and relevant to the topic being discussed. Student shows respect for the thoughts and ideas of others.	
Marking Period 1	~Follows agreed-upon rules for discussions ~Builds on others' talk in conversations by linking their comments
Marking Period 2	
Marking Period 3	
Report Card Indicator: Work as a Collaborator	
Description: Student works as a collaborator with others to solve problems and accomplish goals. Student respects and accepts diverse perspectives to build consensus when making decisions. Student participates in thoughtful discussions and seek to use constructive feedback to adapt ideas and persist in accomplishing difficult tasks.	
Marking Period 1	~Participates in collaborative conversations with diverse partners ~Makes eye contact with the speaker, nod or comment to show good listening, and ask questions. ~Recognizes that everyone should have a chance to speak. ~Stays on topic by linking his/her own additions to the conversation to the previous remarks of others.
Marking Period 2	
Marking Period 3	

MEMO

OFFICE OF THE SUPERINTENDENT OF SCHOOLS

TO: Board of Education
FROM: Steven A. Moccio, Superintendent of Schools 
SUBJECT: Review and Possible Approval of CSDE Flexibilities Associated with the
Stafford Public Schools Professional Learning and Evaluation Plan

On June 9, 2021, the Acting Commissioner of Education, Ms. Charlene Russell-Tucker, began a process to “reimagine” Connecticut’s educator evaluation system, which includes both teacher and administrator plans. While this will be a lengthy process that involves the state’s Performance Evaluation Advisory Council (PEAC), the first step was to recommend the Connecticut State Board of Education (SBE) approve flexibilities for the 2021-2022 school year, which occurred on June 2, 2021. The approved flexibilities are similar to those approved by the SBE for the 2020-2021 school year.

Attached is a memorandum prepared by Mr. Steve Autieri, Director of Curriculum & Instruction. The Professional Development and Evaluation Committee met on September 16, 2021, for the purpose of reviewing the suggested flexibilities, which include adjustments to goals, observations, and the waiver of the aggregate summative rating. Each educator will receive a summative rating based on a teacher / administrator self-assessment, supporting documentation / artifact review, and an end-of-year conference.

Mr. Autieri will be in attendance at the meeting on September 27, 2021, to provide more specific information and respond to questions from the Board.

RECOMMEND the Board of Education approve the Stafford Educator Evaluation Plan with incorporated CSDE flexibilities for the 2021-2022 school year.

Memorandum

From the Office of Curriculum and Instruction, Stafford Public Schools

Date: September 20, 2021
To: Mr. Steven Moccio, Superintendent of Schools
From: Mr. Steven Autieri, Director of Curriculum & Instruction
Re: Educator Evaluation Plan Revision--2021-2022

The annual revision of the Educator Evaluation Plan, which includes both the teacher and administrator plans, is required by State Statute. The BOE must be notified of all changes to the plan before it can be submitted to the State Department of Education (SDE) for review and approval. Amendments to the plan are submitted to the State Department of Education (SDE) for review and approval. Upon notification of approval from the SDE, the Educator Evaluation Plan must be presented to the BOE again for final approval.

On June 9, 2021, Stafford received a memorandum from the then Acting Commissioner Russell-Tucker at the CSDE to replace Executive Order 7C permitting school districts to adopt flexibilities to the Educator Evaluation Program for the 2021-2022 school year only. The district's Professional Development and Educator Evaluation Committee met on September 16, 2021 for the purpose of reviewing the flexibilities and suggesting revisions specific to the Stafford Educator Evaluation Plan. The team of administrators, teachers, SAA, and SEA representatives provided suggested revisions, retractions, and additions to the plan that were reviewed by the whole team.

A special thanks and acknowledgement to the following staff for their dedication, insight, and collaboration in the process.

- Sharon Mlyniec (SEA President)
- Kim McAdam (WSS)
- Kim Robbins (WSS)
- Alyssa Miceli (SHS)
- Linda DeSantis (SHS)
- Emily Hamilton (SMS)
- Bethany Holland (SMS)
- Amanda Galligan (SES)
- Cara Ravetto (SES)
- Mary Claire Manning (SAA Union Representative)

I have provided you with a summary of the flexibilities incorporated by PDEC into the temporary plan for 2021-2022. I request final approval so the plan can be presented to the Board of Education for approval prior to the October 1, 2021, CSDE Talent Office submission deadline.

Teacher/Education Specialist Evaluation Plan

1. **Student Learning Indicators (45%):** Teachers will develop one student learning goal with a minimum of two indicators, or measures of accomplishment, focused on: social and emotional learning for students; student engagement; engaging families; cultural responsiveness; or academic achievement
2. **Observation of Performance & Practice (40%):** CSDE has allowed districts to adjust the requirement for formal observations to more formative, shorter observations.
 - a. *Track A (Teachers new to Stafford):* A minimum of **three** observations and **one** review of professional practice per educator on the track.
 - b. *Track B (Accomplished or Exemplary):* A minimum of **two** observations and **one** review of professional practice per educator on the track.
3. **Stakeholder Feedback (10%):** To continue to strengthen the partnership between families and the district, PDEC has chosen a district wide focus on home-school communication for all schools for 2021-2022. Educators will support school goals with strategies leveraging ongoing communication and engagement with families.

Administrator Evaluation Plan

1. **Student Learning Indicators (45%):** The flexibilities permit administrators to develop a minimum of **TWO** student learning indicators or measures focused on: supporting the health, safety, and social and emotional well-being of staff and students; ensuring equity for the most vulnerable students and their families; mastery-based learning; or developing systematic approaches to incorporating social and emotional practices and/or culturally responsive practices into the teaching and learning process.
2. **Instructional Leadership (40%):** CSDE has instituted a flexibility for:
 - a. A minimum of **TWO** site visits and **ONE** artifact review for administrators with two or more years of experience (assuming rating of accomplished or exemplary).
 - b. A minimum of **THREE** site visits and **TWO** artifact reviews for administrators new to the district, or who demonstrated developing or below standard for 2020-2021.
3. **Stakeholder Feedback (10%):** To continue to strengthen the partnership between families and the district, PDEC has chosen a district wide focus on home-school communication for all schools for 2021-2022. Educators will support school goals with strategies leveraging ongoing communication and engagement with families.

4-Level Rating System

Summative ratings will be required for the 2021-2022 school year. End-of-year summative reviews shall include a teacher/administrator self-assessment, supporting documentation/artifact review and an end-of-year conference.

Summative ratings shall be determined by:

1. A holistic review of evidence in each component;
2. Combining the rating for student learning goals and whole-school student learning indicators/educator effectiveness/special area of focus for an outcome rating;
3. Combining educator practice and stakeholder feedback for a practice rating; and
4. Combining the outcomes rating and the practice rating for a final rating aligned to one of four performance designations (Exemplary, Accomplished, Developing, Beginning).

Individual Improvement and Remediation Plans

Any evaluator that has concerns arise over an educator's performance will be asked to ensure it is documented and communicated to the staff member along with opportunities for professional learning and support. Primary evaluators will provide formal documentation when developing a plan for support in consultation with the bargaining unit.

**Stafford Public Schools
Educator Evaluation Plan**

2021-2022 Updates

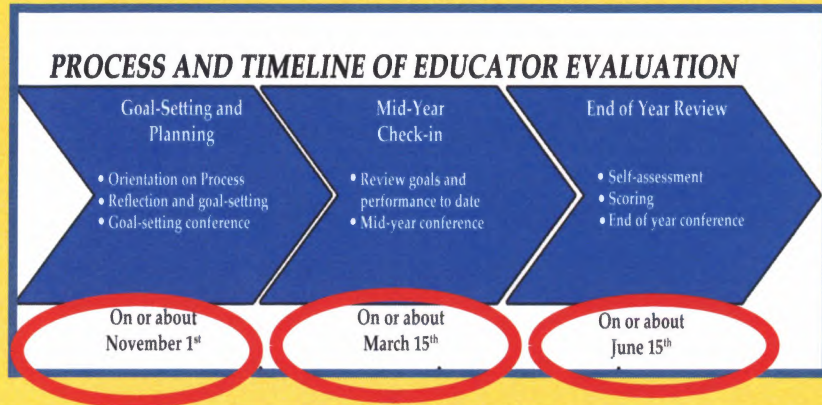

Overview of Process

As per CSDE mandate, annually all districts are required to revise their Educator Evaluation Plan, as needed, as per the latest guidelines and PDEC (Professional Development and Evaluation Committee) suggestions.

- The proposed revisions must be presented to the BOE, then submitted to the SDE Talent Office for approval, identified items must be addressed, and then submitted to the BOE again for approval
- A team of teachers and administrators, representing all schools and constituencies, met on September 16, 2021 to revise and update the Plan according to the flexibility provisions offered to districts by CSDE. All revisions and draft proposals were made to the Plan based upon the work of the committee.

Updates to Framework Components

CSDE Flexibilities

What has changed for the 2022 school year?

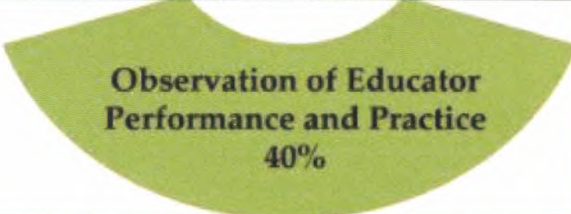

Category 1: Student Outcomes (SLOs)

- Staff will plan and implement a minimum of **ONE** goal on topics aligned to:
 - social emotional learning for students,
 - student and/or family engagement,
 - cultural responsiveness, or
 - one mutually agreed upon academic goal.
- The SLO will include a minimum of **TWO** indicators or measures of accomplishment (IAGDs).

Category 2: Performance & Practice

- Staff on **Track A** (*Teachers new to Stafford*) will have a minimum of **three** observations and **one** review of professional practice per educator.
- Staff on **Track B** (*Accomplished or Exemplary*) will have a minimum of **two** observations and **one** review of professional practice per educator on the track.

Observation of Educator
Performance and Practice
40%

SPS Observation Cycle Requirements 2020-2021

	Formal Observation	Informal Observation	Review of Practice
TRACK A: New to Profession- Year 1 and 2 in Stafford, Professional Assistance and Support System (PASS)	0	3	1
TRACK B: Year 1 Exemplary or Accomplished Teachers	0	2	1
TRACK B: Year 2 Exemplary or Accomplished Teachers	0	2	1
TRACK B: Year 3 Exemplary or Accomplished Teachers	0	2	1

Category 3: Stakeholder Feedback

- To continue to strengthen the partnership between families and the district, PDEC has chosen a district wide focus on home-school communication for all schools for 2021-2022.
- Educators will support school goals with **TWO** strategies leveraging ongoing communication and engagement with families.

Timeline Updates

October 5, 2021	Orientation Materials for Process
November 1, 2021 (Approximate)	Goal Setting Conference
Observation #1:	Completed prior to November 15th

Mission Statement/Philosophy of the Stafford Public Schools

The mission of the Stafford Public Schools is to prepare our students to assume productive, meaningful, and responsible roles in an increasingly competitive global society.

In pursuit of this mission, we believe that:

- It is our obligation to support and challenge all students and staff to meet or exceed established standards of performance in a safe and secure environment.
- Assessment of all programs and instructional decisions will be based on research and data.
- An appreciation of self, work ethic, community, diversity, and citizenship is fundamental to the learning process.
- Creativity, joy in learning, and personal expression are essential to the development of a successful learner.
- Staff, families and the entire community must work together to be accountable for the present and future success of the students in the Stafford Public Schools.

Policy adopted: June 1, 2009

Historical Timeframes for Evaluation Plan Revisions

Original Development of the Plan

The Stafford Professional Learning and Evaluation Plan was developed during the 2012-2013 school year. An ad hoc committee, the Teacher Evaluation Committee, and the district's Administrative Council were the primary contributors and authors. The composition and membership of the Teacher Evaluation Committee was purposefully designed to represent as many constituencies as possible, including membership from each school. Members of each contributing group are listed below.

Teacher Evaluation Committee Members

Dr. Patricia Collin
Dawn Gagne
Dana Hurley
Kim Jones
Shelley Michaud
Jennifer Miller
Nic Morse
Sharon Mlyniec
Lori Paolini
Marco Pelliccia
Jolene Piscetello
Amber Preston
Hank Skala
Amy Stevenson
Ken Valentine
Michael Bednarz, Facilitator

Administrative Council

Michael Bednarz
Greg Buonome
Robert Campbell
Dr. Patricia Collin
Peggy Falcetta
Shelley Michaud
Marco Pelliccia
Henry Skala
Amy Stevenson
Kenneth Valentine

The original Plan was presented to the Stafford BOE on April 8, 2013, by the Stafford Professional Learning and Evaluation Plan Committee. The Plan was subsequently submitted to the Connecticut State Department of Education for its review and feedback. The Committee reconvened in May to review the entire plan and address the feedback after which the revised Plan was resubmitted to the CSDE. The district received official notification from the SDE on August 6, 2013, and the BOE approved the submission of amendments to the *Stafford Public Schools' Professional Learning and Evaluation Plan* on October 21, 2013.

Revision Process for the 2021-2022 School Year

The district's Professional Development and Educator Evaluation Committee met during the month of September 2021 for the purpose of reviewing CSDE flexibilities and revising the Stafford Educator Evaluation Plan. The Director of Curriculum & Instruction served as the facilitator of the committee.

Participants in the Educator Evaluation Plan revision process included the following:

Educators:

Sharon Mlyniec, SEA President
Kimberly McAdam, SVS Teacher
Kimberly Robbins, WSS Teacher
Amanda Galligan, SES Teacher
Cara Ravetto, SES Teacher
Emily Hamilton, SMS Teacher
Bethany Holland, SMS School Counselor
Alyssa Miceli, SHS Teacher
Linda DeSantis, SHS Teacher

Administrators:

Steven Autieri, Facilitator
Mary Claire Manning, SAA Union Representative

CORE VALUES AND BELIEFS ABOUT PROFESSIONAL LEARNING

Stafford's Professional Learning and Evaluation Plan establishes high standards for the performance of teachers and administrators that ultimately lead to and are evidenced by improved student learning. Professional standards, including *The Common Core of Teaching Rubric (2014)*, *The Common Core of Teaching (2017)*, *Connecticut's Common Core of Leading-Connecticut School Leadership Standards (2012)*, and national standards for educational specialists provide the foundation for the district's Professional Learning and Evaluation Plan. The Plan seeks to create a professional culture that is grounded in the following beliefs:

We believe that:

- An effective teaching and learning system must reflect and be grounded in the vision and core values of the district and its schools.
- An effective teaching and learning system creates coherence among the functions of supervision and evaluation of professional practice, professional learning and support, and curriculum and assessment development.
- A comprehensive evaluation process includes:
 - on-going inquiry into and reflection on practice;
 - goal-setting aligned with expectations for student learning;
 - information gathered and analyzed from multiple sources of evidence;
 - support structures for feedback, assistance, and professional collaboration;
 - research-based professional learning opportunities aligned with the needs of teachers.
- An effective teaching and learning system that increases educator effectiveness and student outcomes is standards-based, and sustains a culture of collaboration and knowledge-sharing.

The purpose of educator evaluation is to improve student achievement outcomes through effective instruction and support for student and educator learning. A variety of factors support the improvement of learning and instruction. Stafford's Professional Learning and Evaluation Plan is a systemic, comprehensive system that is based on clearly defined expectations supported by current research about the relationship between teaching and learning. The Plan supports the development of educators at all stages of their careers. It weaves together professional standards with expectations for student learning, and ongoing evaluation with access to professional learning and support.

The Plan's teacher observation and evaluation instrument, the *Common Core of Teaching (CCT) Rubric* is designed to align with the processes and professional performance profiles outlined in Connecticut's Teacher Education and Mentoring (TEAM) program. Such alignment promotes the establishment of common, consistent vocabulary and understandings about teacher practice at all levels throughout the district.

PROFESSIONAL LEARNING AND EVALUATION PLAN GOALS

1. Professionalize the Profession

- Document and share best practices that result in meaningful advancement of student learning.
- Enhance expert knowledge and collective efficacy in the field.
- Create opportunities for educators to collaborate and develop leadership skills.
- Recognize excellence in teaching, administration, and professional contributions.
- Ensure that only high-quality professionals are selected for tenure.
- Provide a process for validating personnel decisions and recommendations for continued employment.

2. Improve the quality and focus of observation and evaluation

- Establish collaborative examinations of practice among administrators and educators.
- Develop shared understanding of the strengths and challenges to improve student learning.
- Define criteria for the evaluation and measurement of student learning, using research-based models.
- Establish multiple measures to assess professional practice, such as:
 - educator-designed objectives, benchmarks, and assessments of student learning
 - contributions to school/district level inquiry about student learning
 - mentoring and peer assistance
 - achievement of learning objectives for student growth, as measured by appropriate standardized assessments, where applicable, or other national or locally-developed curriculum benchmarks and expectations for student learning
- Improve the quantity and quality of feedback to those evaluated.

3. Support organizational improvement through the Professional Learning and Evaluation Program.

- Align district and school professional learning opportunities with the collective and individual needs of educators, based on data acquired through learning goal plans and observations of professional practice.
- Provide educators with multiple avenues for pursuing professional learning.
- Create formal and informal opportunities to share professional learning with colleagues.

ROLES AND RESPONSIBILITIES FOR PROFESSIONAL LEARNING AND EVALUATION

Definition of Educator and Evaluator

Evaluator refers to all individuals (including school and district administrators) whose job responsibilities include supervision and evaluation of other educators. Educator shall mean all certified instructional and non-instructional persons below the rank of Administrator.

Superintendent's Role in the Evaluation Process

- Arbitrate disputes.
- Allocate and provide funds or resources to implement the plan.
- Serve as the liaison between Stafford's Board of Education and the evaluation process.
- Work collaboratively with administrators and staff to ensure that professional development activities promote program improvement and individual professional growth.
- Evaluate administrators.

Responsibility for Evaluations

Administrators will be responsible for evaluations, including, but not limited to, personnel in the following categories:

- | | | |
|-----------------------|------------------------------|--------------------------|
| - Teachers | - Speech and Language | - Other Related Services |
| - Psychologists | Pathologists | Personnel |
| - Social Workers | - Occupational Therapists | |
| - Guidance Counselors | - Special Education Teachers | |

Roles and Responsibilities of Evaluators and Evaluatees

The primary purpose of educator evaluation is to strengthen individual and collective practices to improve student growth. For an evaluation system to work, staff need to have a combination of shared and role specific responsibilities.

Shared Responsibilities

- Review and understand the district's evaluation plan, the *Common Core of Teaching and CCT Rubric (2017)*.
- Review and understand the *Connecticut Common Core of Leading Standards (2017)*.
- Review and have familiarity with the *Common Core State Standards, Connecticut's Frameworks of K-12 Curricular Goals and Standards*, the Smarter Balanced Assessments (SBAC), and the Connecticut Next Generation Science Assessment (NGSS), as well as local curriculum standards.
- Adhere to established timelines and complete required components in a timely manner.
- Share professional resources and new knowledge about professional best practice.

Evaluator Responsibilities

- Review and have familiarity with evaluatees' previous observations and evaluations.
- Participate in collaborative conferences with evaluatees.
- Assist with the analysis of goals, student learning indicators, and learning activities developed and implemented by evaluatees, as well as their outcomes.
- Analyze and assess the performance of evaluatees, making recommendations as appropriate.
- Clarify questions, identify resources, facilitate peer assistance, and provide other support as needed.
- Provide feedback on the digital evaluation platform in a timely manner

Evaluatee Responsibilities

- Reflect on previous feedback from observations and evaluations.
- Consistently engage in evaluation based professional learning to improve and/or expand effectiveness.
- Participate in collaborative conferences with their evaluator.
- Develop, implement, and self-assess established goals, student learning indicators, learning activities and outcomes.
- Request clarification of questions and assistance, as appropriate.
- Complete and sign all required forms on the digital evaluation platform in a timely manner as defined by the evaluator.

IMPLEMENTATION OF PROFESSIONAL LEARNING AND EVALUATION PROGRAM

Full implementation of the revised Stafford Educator Evaluation Plan will begin during the 2019-2020 school year for all staff and administrators.

Training and Orientation of Educators and Administrators

Annually, the district will provide to all educators orientation and training sessions through a variety of professional development activities, faculty meetings, and individual conferences. The purpose will be to explain the processes for professional learning planning, explicate protocols for evaluation and observation (including timelines and rubrics), and review documents that will be used by all staff.

Educators and administrators new to Stafford will be provided with copies of the plan during New Teacher Academy and will engage in training to ensure that they understand the elements, procedures, and documents of the plan. This training will take place upon employment or prior to the beginning of the school year with members of the Administrative Team.

New Educator Support and Induction

In the interest of supporting all educators in the implementation of the program, a variety of general topics will be addressed, including:

School philosophy and goals	Policies and procedures
Assignments and responsibilities	Facility and staffing
Curriculum and instructional support	Resources for professional learning
Schedules and routines	Support services

In addition, periodic meetings with school personnel and the district's New Teacher Committee will focus on domains of the *CCT Rubric 2017*, Common Core Standards, discipline policies, effective collaboration, classroom interventions, special education, evaluation, and professional responsibilities. New educators, as identified by the State of Connecticut, will also participate in TEAM.

Evaluator Orientation and Support

Understanding the features of Stafford's Professional Learning and Evaluation Plan, the *CCT Rubric*, *Common Core of Learning* (CCL), *Common Core State Standards*, and the components of professional evaluation and observation is essential to facilitating the evaluation process and promoting student growth.

Resources for Program Implementation

Funds to provide materials, training, time for professional learning options, and the collaboration necessary to support the successful achievement of the educators' goals, objectives and implementation of the evaluation plan will be allocated annually and determined on a program by program basis.

Section I:
EDUCATOR EVALUATION OVERVIEW

EDUCATOR EVALUATION PLAN

OVERVIEW

Stafford's Professional Learning and Evaluation Plan supports an environment in which educators have the opportunity to regularly employ inquiry into and reflection on practice, to give each other feedback, and to develop practices that positively affect student learning.

To help foster such an environment, the Plan provides a district-wide system that affords multiple opportunities and options for educators to engage in individual and collaborative activities in which they collect, analyze, and respond to data about student learning. Educators and administrators are expected to provide evidence related to the effectiveness of instructional practices and their impact on student learning. Educators and administrators are also expected to take an active role in a cycle of inquiry into their practice, implementation and analysis of strategies employed to advance student growth, and reflection on effectiveness of their practice. The Plan includes an additional component, the Professional Assistance and Support System (PASS), for those educators and administrators in need of additional support to meet performance expectations.

All educators will be evaluated in four categories Student Growth and Development, Whole School Student Learning, Observation of Educator Performance and Practice, and Peer Feedback. Each component has designated percentages as illustrated in the graphic below. The four components are grouped in two major focus areas: **Educator Practice** (50%) and **Student Outcomes** (50%).

Core Requirements of the Evaluation Plan

Stafford's Professional Learning and Evaluation Plan is aligned with the *Core Requirements Guidelines for Educator Evaluation*, as provided in subsection (a) of Sec. 10-151b (C.G.S.), as amended by Sec. 51 of P.A. 12-116. The following is a description of the processes and components of Stafford's plan for educator evaluation.

Educator Practice Related Indicators: An evaluation of the core instructional practices and skills that positively affect student learning. This focus area is comprised of two categories:

- (a) **Observation of educator performance and practice (40%)** as defined by the *Common Core of Teaching (CCT) Rubric (2017)* using the four domains and their indicators as a guide. The *CCT Rubric* will be the primary tool used for observing and assessing educator practice in each of the domains. It reflects the spirit and specifics of the *CCT* and articulates the essential components of effective practice.
- (b) **Stakeholder feedback (10%)** on effective practice through surveys and/or formal discussion groups.

Student Outcomes Related Indicators: An evaluation of educator contributions to student academic progress at the school and classroom level. There are two categories:

- (a) **Student growth and development (45%)** as determined by the educator's student learning objectives (SLOs).
- (b) **Whole-school measures of student learning (5%)** as determined by student learning indicators identified by school leadership teams.

Results for each of the categories will be holistically combined to produce a final summative performance rating. The performance levels are defined as:

- Exemplary** – Exceeding indicators of performance
Accomplished – Meeting indicators of performance
Developing – Meeting some indicators of performance but not others
Below Standard – Not meeting indicators of performance

The annual evaluation process for an educator will at least include, but not be limited to, the following steps, in order:

1. Orientation (recommended by October 5):

To begin the annual evaluation process, the Director of Curriculum will provide a recorded webinar and supporting documentation to acquaint educators with the temporary flexibilities to the evaluation process and their roles and responsibilities within it. In this training, the following components will be reviewed:

- a) Alignment of goal setting to the *CCT Rubric*
- b) School or district priorities that should be reflected in goals.
- c) Student Learning Objectives (SLOs) related to student outcomes, social-emotional learning and/or achievement.
- d) Data regarding whole-school indicators of student learning and school goals.
- e) Data collection, including types of data and processes for collection and analysis.
- f) Observation structures for staff on track A and track B.

2. Goal Setting Conference – on or about November 1:

In advance of the goal setting conference, the educator will examine data related to current students' performance, previous professional learning goals and evaluation results, and self-assessment on the *CCT Rubric*. Beginning educators may find it helpful to reflect on their goals with their mentors, using TEAM Module Resources and Performance Profiles, to determine a baseline for establishing goals. The educator will draft the following:

- a) **45% Student Growth and Development:** A minimum of **ONE** SLO to address social-emotional learning, student and/or family engagement, cultural responsiveness, or academic achievement. A minimum of **TWO** IAGDs will be included with the SLO.
- b) **10% Peer Feedback:** **at least two** strategies aligned with a whole-school goal focused on the PDEC commitment to strengthening ongoing communication and engagement with families. An educator may collaborate with grade level or department colleagues.
- c) **5% Whole School Measures:** **at least two** strategies aligned with the whole school indicators of student learning for the school year as determined by the school administrator. These areas may include, but are not limited to, social-emotional learning, providing equitable learning opportunities for all students, professional learning to improve practice, professional learning communities, or best practices for hybrid and remote learning. The educator may collaborate in grade level teams or departments.

On or about November 1st, the evaluator and educator will meet to discuss the proposed SLOs and strategies in order to reach mutual agreement. The SLOs must be informed by data collected by the educator and the evaluator. The evaluator may request revisions to the proposed SLOs and strategies if they do not meet approval criteria.

Examples of data and evidence that may be included in the goal-setting conference:

<ul style="list-style-type: none">• Formative Assessment Data• Summative Assessment Data• Student Work Samples• Parent Communication Logs• Classroom/School Stakeholder Survey Data	<ul style="list-style-type: none">• IEP Goals/EL Learning Plans• Standardized/Non-standardized data (based on educator's cohort)• School-level data• <i>CCT Rubric</i> Self-assessment
---	---

Observations

Evaluators will adjust the usual observations of educator practice during the 2020-2021 school year with shorter, more frequent observations depending upon the educator's placement on the evaluation track (Track A/B). It is recommended that at least one observation will be conducted on or around November 15th.

Evidence collection and review (throughout school year):

The educator will collect evidence about his/her practice and student learning that is relevant to the agreed upon SLOs. The evaluator also will collect evidence about educator practice for discussion in the mid-year conference and summative review.

3. Mid-year Conference (recommended by March 15th):

The evaluator and educator will complete at least one mid-year conference during which they will review progress on each SLO and strategy to date. The mid-year conference is an important conversational point in the year for addressing concerns, engaging in professional discourse that supports educator professional learning goals, and reviewing data from the first half of the year. Both the educator and the evaluator, as appropriate, will bring evidence about practice and student learning to review. The educator and evaluator will discuss the cause and effect relationship of practice to student learning data. If needed, educators and evaluators can mutually agree to revisions about:

- the strategies or approaches to be used depending upon the model of learning (in-person, hybrid, remote),
- adjusting SLOs and strategies to accommodate changes (e.g., student populations),
- actions the educator can take and the supports that can be provided to promote educator growth.

4. End of year summative review (recommended by June 15th):

Prior to end of year conference, the educator shall review and reflect upon all information and data collected during the year. The educator should come prepared to discuss:

- all components of the evaluation plan, including the targeted areas in the *CCT Rubric*,
- what professional learning occurred, supported by evidence and personal reflection,
- suggestions for possible future direction(s) and professional learning that are related to the outcomes.

The evaluator and the educator will meet to discuss all evidence/data collected to date and to discuss category ratings. The evaluator will use the data collected and the results of all conferences to generate category ratings and the final summative rating.

Amendments to the Annual Evaluation Process for Unique Situations

For any certified staff members who are unable to complete a full year of service as per their job responsibilities, the evaluator and evaluator shall develop a mutually agreed upon evaluation plan for that school year only. The unique evaluation plan should include as many of the core requirements as possible and feasible. As per State statute, the Superintendent must report a summative rating for all certified educators who worked at least half of the school year.

Ensuring Fairness and Accuracy: Evaluator Training, Monitoring and Auditing

All evaluators are required to complete extensive training on the evaluation model. It is anticipated that the Connecticut State Department of Education (CSDE) and/or the Regional Education Centers (e.g., EASTCONN) will provide districts with training opportunities and tools throughout the year to support district administrators and evaluators in implementing the model across their schools. Stafford Public Schools will adapt and build on these tools and opportunities to provide comprehensive training and support to ensure that evaluators are Proficient in conducting educator evaluations.

Section 2:

TEACHER EVALUATION PLAN

CATEGORY 1: STUDENT OUTCOMES AND ACHIEVEMENT (45%)

Forty-five percent (45%) of a teacher's evaluation will be based on achievement of student learning outcomes defined by teacher created **SLOs**. SLOs for all personnel must align with social-emotional or academic performance themes. Teachers are required to develop **ONE SLO, mutually agreed upon with their evaluator**, using the SMART goal format and related to student growth and development. In circumstances when staff have one SLO, the entire 45% student outcomes component will be based fully on the results of the single SLO.

Teachers will develop a minimum of **ONE SLO** with a minimum of **TWO IAGDs** focused on:

- social and emotional learning for students OR
- student engagement OR
- engaging families OR
- cultural responsiveness OR
- academic achievement.

Each SLO will:

1. Consider the academic track record and overall needs and strengths of current students
2. Address the most important purposes of a teacher's assignment.
3. Align with school, district, and/or state student achievement objectives.
4. Take into account students' learning needs vis-à-vis relevant baseline data.
5. Consider data reports from Performance Matters Analytics.
6. Be mutually agreed upon by teacher and their evaluator.
7. Be fair, valid, reliable and useful to the greatest extent possible.

Designing SLOs

The diagram below illustrates the processes involved in establishing and assessing SLOs for student learning.

Phase 1: Learn about this year's students by examining baseline data

To write meaningful and relevant SLOs that result from a thorough knowledge of their students, data analysis is required. Teachers must document the baseline data used to determine their instructional focus. Analysis of data on incoming students each year should be completed **prior to the goal setting meeting**. Examples of data that teachers can utilize are:

- Student outcome data (academic)
- Behavior data (absences, referrals)
- Program data (participation in school or extracurricular activities or programs)
- Perceptual data (learning styles and inventories, anecdotal)

Phase 2: Set the SLOs for student growth

Each SLO should make clear:

- What evidence was or will be examined
- What level of performance is targeted
- What assessment(s)/indicator(s) will be used to measure the targeted level of performance
- What proportion of students are projected to achieve the targeted performance level

SLOs can also address student subgroups, such as high or low-performing students. It is through the Phase 1 examination of student data that teachers will determine what level of performance to target for which students. The review and approval process of the SLOs will take place during the goal setting conference. To ensure they are as fair, reliable, valid, and useful to the greatest possible extent, evaluators will review and approve the SLOs based on the following criteria:

- **Priority of Content:** SLOs are relevant to the content area and represent the most important purpose of their assignment.
- **Rigor:** SLOs are attainable, but ambitious, and represent at least one year's student growth (or appropriate growth for a shorter interval of instruction). SLOs can be tailored to a specific subgroup or population of students and should represent gains toward grade level expectations.
- **Analysis of Student Outcome Data:** SLOs provide specific, measurable evidence of student outcome data through analysis by the teacher and demonstrate knowledge about students' growth and development.

Phase 3: Monitor and document student progress

Once SLOs are approved, teachers must monitor students' progress toward achieving the targeted learning goals.

- Teachers should monitor and document student progress by examining student work, analyzing assessment data, and/or tracking students' accomplishments and struggles.
- Teachers may choose to share their interim findings with colleagues during collaborative time. They may also wish to keep their evaluator apprised of progress.
- Artifacts related to the teacher's monitoring practices can be reviewed and discussed during the mid-year conference. This review may result in revisions to the instructional strategies or approaches teachers use.
- Teachers and evaluators may mutually agree to mid-year adjustments to SLOs.

Phase 4: Assess students to determine progress toward achievement of SLOs

The teacher reviews all information and data collected during the year. Teachers will reflect on the SLOs using the following as guides:

- Describe the results and provide evidence for each SLO indicator
- Describe what the teacher did that produced these results
- Provide an overall assessment of whether the goal was met
- Describe what the teacher learned and how he/she will use that information going forward

At the end of year conference, relevant evidence will be submitted to the evaluator. The teacher and the evaluator will discuss the extent to which the students met the SLOs. To arrive at a rating for each SLO, the evaluator will review the results from data collected as a body of evidence and score the achievement of the SLO holistically. Evaluators will assign one of four ratings with requisite point values to each SLO as defined below.

Exemplary (4)	All or most students in the identified cohort met or exceeded the target(s) contained in the indicator(s).
Accomplished (3)	Most students in the identified cohort met the target(s) contained in the indicators within a few points on either side of the target(s).
Developing (2)	Many students in the identified cohort met the target(s) but a notable percentage missed the target by more than a few points. However, taken as a whole, significant progress towards the goal was made.
Below Standard (1)	A few students in the identified cohort met the target(s) but a substantial percentage of students did not. Little progress toward the goal was made.

The final student growth and development rating for a teacher is the average of the two SLOs.

SLO Training for Teachers and Evaluators

Specific training, as needed, will be provided to develop evaluators' and teachers' data literacy and ability to create SLOs. Training sessions will seek to support and/or enhance the abilities and skills of each teacher to communicate their goals for student learning outcomes and achievement. It will ensure a standardized approach to the documentation of student learning outcomes and achievement. Any additional training that may be needed will be decided on a case-by-case basis at the school or individual level.

The content of the training will include, but not be limited to:

- SLO Criteria (SMART goal model)
- Analyzing and Interpreting Data, Understanding Cause, and Decision-Making
- Alignment of SLOs to school/district goals
- Quality of measures and indicators used to determine student growth
- Identifying strategies and progress monitoring tools to achieve their SLOs

CATEGORY 2. WHOLE SCHOOL STUDENT LEARNING INDICATORS (5%)

Five percent (5%) of a teacher's evaluation shall be based on whole school student learning indicators. Administrators at each school will define a Whole School Learning Indicator(s) to which all certified staff will be held accountable. The selected learning indicator(s) will be connected to the administrator's evaluation rating. The selected learning indicator(s) will be connected to the administrator's evaluation rating for the 45% component.

The teacher, with the approval of their evaluator, may collaborate with other educators or teams to support the identified indicator(s). Certified staff will be asked to articulate in writing how they will contribute to the achievement of the selected indicator(s).

The evaluator will look at the results as a body of evidence regarding the accomplishment of the Whole School Student Learning Indicator and rate the teacher's performance holistically using the chart below.

Exemplary	The strategies implemented were of high quality and appropriate quantity and resulted in significant impacts on the identified indicator(s).
Accomplished	The strategies implemented were of good quality and sufficient quantity and resulted in positive impacts on the identified indicator(s).
Developing	The strategies implemented were of below average quality and/or minimal quantity and resulted in some positive impacts on the identified indicator(s).
Below Standard	The implemented strategies were of insufficient quality and/or quantity and resulted in only a small impact on the achievement of the identified indicator(s).

Teacher's actions taken towards achievement of the identified indicator(s) will be discussed during the pre-, mid-year, and post-conferences. Teachers will be expected to bring a sample artifact from their practice that support and provide evidence of their contributions toward the attainment of the indicator(s).

CATEGORY 3: TEACHER PERFORMANCE AND PRACTICE (40%)

Forty percent (40%) of a teacher's evaluation will be based on observation of teacher practice and performance, using the *CCT Rubric*. This instrument was selected by the district because of its alignment with the domains and indicators of *Connecticut's Common Core of Teaching (CCT)*. The *CCT* enumerates key aspects of effective teaching that are correlated with student learning and achievement that have been evidenced in professional literature. The *CCT* addresses several principles of effective teacher performance and practice. These principles are explicitly embedded in the *CCT Rubric* as observable practices. The overarching principles are:

- *Diversity* as enrichment of educational opportunities for all students
- *Differentiation* as a necessity for success and equal opportunities for all students
- Purposeful use of *technology* as access to learning for all students
- *Collaboration* as essential to producing high levels of learning for all students
- *Data collection and analysis* as essential to informing effective planning, instruction, and assessment practices that enhance student learning
- *Professional learning* as integral to improved student outcomes.

In employing the *CCT Rubric* as its foundation, the district maintains consistency with Connecticut's TEAM program of mentorship of new teachers. Therefore, the consistency between these two programs establishes common understandings and language about teaching and learning for all staff. There are four domains in the *CCT Rubric*. The chart below describes each of the domains with the primary indicators for each.

CCT Rubric for Effective Teaching 2017	
Evidence Generally Collected Through In-Class Observations	Evidence Generally Collected Through Non-Classroom/Reviews of Practice
Domain One: Classroom Environment, Student Engagement, & Commitment to Learning	Domain Two: Planning for Active Learning
1a: Creating a positive learning environment that is responsive to and respectful of the learning needs of all students 1b: Promoting developmentally appropriate standards of behavior that support a productive learning environment for all students. 1c: Maximizing instructional time by effectively managing routines and transitions.	2a: Planning of instructional content that is aligned with standards, builds on students' prior knowledge and provides for appropriate level of challenge for all students. 2b: Planning instruction to cognitively engage students in the content. 2c: Selecting appropriate assessment strategies to monitor student progress.
Domain Three: Instruction for Active Learning	Domain Four: Professional Responsibilities and Teacher Leadership
3a: Implementing instructional content for learning. 3b: Leading students to construct meaning and apply new learning through the use of a variety of differentiated and evidenced-based learning strategies. 3c: Assessing student learning, providing feedback to students and adjusting instruction.	4a: Engaging in continuous professional learning to impact instruction and student learning. 4b: Collaborating to develop and sustain a professional learning environment to support student learning. 4c: Working with colleagues, students, and families to develop and sustain a positive school climate that supports student learning.

If there are modifications to the *CCT Rubric (2017)*, the district reserves the right to adopt the new rubric as the primary tool for assessing and rating observations.

EVALUATOR TRAINING AND PROFICIENCY

Observations of classroom practice are guided by the domains and indicators of the *Standards for Educator Performance and Practice*. Evaluators will participate in extensive training and are required to be proficient in the use of the *CCT Rubric*.

To ensure consistency and fairness in the evaluation process, each evaluator must successfully complete proficiency activities prior to conducting teacher observations. Evaluators will also participate in additional support sessions during the school year. Training can be completed independently or as a collaborative learning activity.

All Stafford evaluators will be required to demonstrate proficiency in the use of the *CCT Rubric* for educator evaluation annually. Any evaluator who does not initially demonstrate proficiency will be provided with additional practice and coaching opportunities as needed and will be required to successfully complete proficiency activities. In the second year of proficiency, evaluators will be required to calibrate their ability to appropriately apply the *CCT Rubric* by participating in district update/calibration sessions.

Teacher Goal Setting for Performance and Practice

In preparation for goal setting conferences with evaluators, teachers will use the *CCT Rubric* to reflect on their own practices and their impact on student performance. Based on that reflection, teachers will specify a focus area(s) for improvement that will ultimately promote student growth and achievement of SLOs. The identified areas will provide potential focus points for feedback for observation(s).

Observation Cycle Requirements

No matter the teacher's placement in the observation cycle, the following elements apply to all:

- Informal observations should not take place prior to the second full week of the academic year.
- Informal observations shall last for a minimum duration of 20 minutes.
- Teachers who receive a summative performance evaluation designation of *Below Standard* or *Developing* shall receive the number of observations appropriate to their individual development plan, but no fewer than three in-class formal observations. Each of the observations will include a pre-conference and a post-conference with timely written and/or verbal feedback.
- Feedback in a timely manner shall be defined as within two business weeks (not including weekend days).

Stafford Public Schools Observation Cycle Requirements			
	Formal Observation	Informal Observation	Review of Practice
TRACK A: New to Profession, Year 1 and 2 to Stafford, PASS	0	3	1
TRACK B: Year #1: Accomplished or Exemplary	0	2	1
TRACK B: Year #2: Accomplished or Exemplary	0	2	1
TRACK B: Year #3: Accomplished or Exemplary	0	2	1
<p>A. Each cell refers to the required minimum. Additional informal observations, and/or reviews of practice are at the discretion of the evaluator.</p> <p>B. Informal observations may be unannounced and focus on domains 1 and 3. For informal observations, the quality of the observable attributes is more important than the quantity of observed attributes.</p> <p>C. The requirements for each cycle year assume a summative rating of accomplished or better the previous year.</p> <p>D. Additional in-class observations may be requested by the teacher as per mutual agreement with his/her evaluator.</p>			

Observations are for the purpose of helping teachers to gain insights about their professional practice and its impact on student learning. Following observations, evaluators will provide teachers with specific feedback to identify teacher developmental needs and to tailor support to those needs. Observations in and of themselves are not useful to teachers; it is the feedback based on observations that helps teachers to grow as educators and become more effective with each and every one of their students. With this in mind, evaluators should be clear and direct, presenting their comments in a way that is supportive and constructive. Examples of clear and direct feedback include:

- specific evidence, where appropriate, on observed components of the *CCT Rubric*;
- prioritized commendations and recommendations for development actions;
- next steps and supports the teacher can pursue to improve his/her practice;

- a timeframe for follow up with both verbal and written feedback after an observation is ideal.

Note: It is recognized that all *CCT Rubric* indicators are **NOT** expected to be present in each **in-class** observation. In most instances, over the period of multiple observations almost all of the indicators will be evident. In addition, some indicators in some domains may not be applicable to some teachers.

Over the course of the school year, evaluators will gather evidence from three sources: teacher conferences, classroom observations, and reviews of practice. Informal **in-class** observations of teachers are considered a normal part of the evaluator’s job responsibilities. Evaluators will use informal, announced and unannounced observations to collect data to:

- Facilitate professional conversation regarding the quality of teacher practice
- Provide constructive oral and written feedback of observations
- Provide information for the on-going calibration of evaluators and evaluation practices

Deadlines for Observations

To ensure the presence of timely feedback to staff to foster a culture of ongoing reflection and professional growth, the following dates should be observed for completion of formal or informal observations:

Track A	Track B
Observation #1: Completed prior to November 15 th	Observation #1: Completed prior to November 15 th
Observation #2: Completed prior to March 15 th	Observation #2: Completed prior to March 15 th
Observation #3: Completed prior to April 30 th	

Adjustments to this schedule can be made but must be mutually agreed upon between teacher and evaluator.

Reviews of Practice (RoP)

Reviews of Practice will be conducted this year for staff members on both Track A and Track B of the Stafford Educator Evaluation Plan. For all teachers, a segment of the 40% of the observation of performance and practice category must include a teacher’s work on elements of Domain 4: Professional Responsibilities and Teacher Leadership.

- Prior to the goal-setting meeting, staff will self-assess and rate themselves on up to two Domain Four attributes.
- At the goal-setting meeting, staff, in collaboration with their evaluator, will discuss the self-rating, possible evidence, and impact on practice.
- At the mid-year meeting, a rating for Domain Four will be determined after discussion and a review of evidence with the staff member.
- The *CCT Rubric* for Four will be the primary tool for determining the final rating for the Review of Practice.

Examples of observations or reviews of practice include but are not limited to:

- Collaborative lesson planning to reflect interdisciplinary, 21st century, and/or Common Core/SAT expectations
- PPT and/or IEP planning and implementation
- Data team/PLC processes and outcomes

- Sharing implementation of best practices as a result of professional learning experiences at a faculty meeting
- Facilitation or co-facilitation of district in-service session
- Share the impact of leadership at school or district level
- Share the effect of SRBI, department, and/or grade level contributions
- Use of student work to modify and/or plan differentiated instruction
- Additional examples may emerge as result of suggestions from the PDEC Committee during the school year.

Final Evaluation Ratings for Performance and Practice

The final rating for the Performance and Practice category will combine the summative rating for Domains One through Three with the rating for Domain Four.

Domains One through Three: After gathering and analyzing evidence, evaluators will assign ratings of Exemplary, Accomplished, Developing, or Below Standard for the observations and review of practice.

Exemplary	3.5-4.0
Accomplished	2.5-3.49
Developing	1.5-2.49
Below Standard	1.0-1.49

There are different requirements for the 40% component that are dependent upon the assigned observation cycle and whether a staff member is tenured or not. The formulas for computing the final rating for Domains One, Two, and Three are as follows:

Track A-New to the Profession, Years 1 and 2 in Stafford, PASS: average score of three observations. No Review of Practice (RoP).

Track B: 2 informal observations (66.6%), 1 Review of Practice (33.3%)

Domain Four: Professional Responsibilities and Teacher Leadership

A rating will be assigned for Domain Four. Teachers' efforts and actions as well as connections to the RoP related to this domain will be discussed during the pre-, mid-year, and/or post conferences. Teachers will be expected to provide evidence of their contributions related to the indicators enumerated in Domain Four in the CCT Rubric. The evaluator should look at the results as a body of evidence of each teacher's performance. The CCT Rubric will be used as a guide for the Domain Four indicators and the holistic rating will be made at the Domain level. The four level scale- Exemplary, Accomplished, Developing, and Below Standard will be used for the holistic rating. The reporting forms for Domain Four will reflect the three Domain Four indicators. Depending upon the teacher's performance rating for Domain Four, the final rating for Teacher Performance and Practice (40%) **may increase or decrease by one rating level.**

CATEGORY 4. PEER FEEDBACK (10%)

Ten percent (10%) of a teacher's evaluation shall be based on peer feedback, including data from surveys, and possibly focus group data.

Stafford strives to meet the needs of all of the students all of the time. To gain insight into what staff perceives about our ability to accomplish this, a school-wide survey will be used. A survey instrument based upon research will be used as the basis for Stafford's survey. The staff survey will be administered, possibly on-line, to allow for anonymous responses. Surveys will be administered at least one time per year, preferably in the spring. The resulting survey data will be used by teachers as baseline data for the following academic year. Survey data will be analyzed by administrators and no more than three areas for improvement will be presented to the faculty in the form of the 10% indicator. Once the school goal has been determined, a focus group of teachers will identify potential indicators to meet. Teachers will select two strategies that they will implement to aid in achieving the school-wide goal.

The teacher, with the approval of their evaluator, may collaborate with other educators or teams to support the identified goal. Teachers' efforts and actions taken towards achievement of the school goal will be discussed during the pre-, mid-year, and post-conferences. Teachers will be expected to provide evidence of their contributions to the attainment of this indicator. The evaluator should look at the results as a body of evidence regarding the accomplishment of the school goal and rate the teacher's performance holistically using the chart below. Teacher ratings will be determined using a 4-level performance matrix. Ratings will be based on evidence of teacher's implementation of strategies to address areas of need as identified by the survey results.

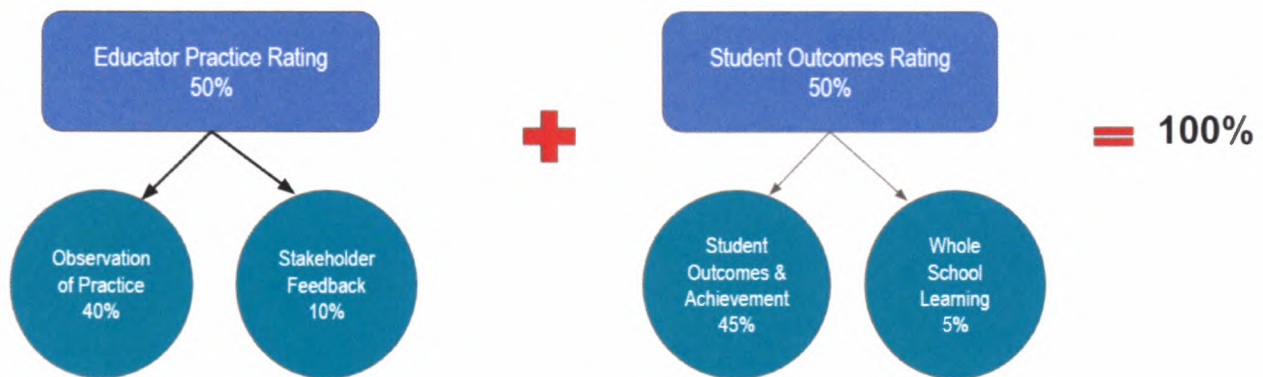

Exemplary	The strategies implemented were of high quality and appropriate quantity and resulted in significant impacts on the identified whole school goal
Accomplished	The strategies implemented were of good quality and sufficient quantity and resulted in positive impacts on the identified whole school goal
Developing	The strategies implemented were of below average quality and/or minimal quantity and resulted in some positive impacts on the identified whole school goal
Below Standard	The implemented strategies were of insufficient quality and/or quantity and resulted in only a small impact on the achievement of the identified whole school goal

FINAL SUMMATIVE TEACHER EVALUATION RATING:

Each teacher shall annually receive a summative rating in one of four levels:

- ☑ An **Exemplary** rating is reserved for performance that significantly exceeds Proficient and could serve as a model for teachers district wide.
- ☑ An **Accomplished** rating represents fully satisfactory performance. It is the rigorous standard expected for experienced teachers.
- ☑ A **Developing** rating means that performance is meeting Proficient ratings in some indicators but not others. Improvement is necessary and expected.
- ☑ A **Below Standard** rating indicates performance that is below Proficient on many components and/or unacceptably low on one or more indicators.

The process for determining summative evaluation ratings has three steps:

A. Teacher Practice: Teacher Performance & Practice (40%) + Peer Feedback (10%) = 50%

The Teacher Practice rating derives from the combined results for a teacher's performance component and Peer Feedback. Depending upon the teacher's performance rating for Peer Feedback, the final rating for Teacher Practice **may increase or decrease by one rating level**.

B. Student Outcomes: Student Outcome & Achievement (45%) + Whole-School Student Learning Indicators (5%) = 50%

The Student Outcomes rating derives from the student outcome & achievement measures (SLO goals) and whole school learning indicator(s) outcomes. Depending upon the teacher's performance rating for whole school learning indicator(s), the final rating for this category **may increase or decrease by one rating level**.

Final Summative Rating: Practice (50%) + Outcomes (50%) = 100%

The final summative rating for all components, including the final summative rating, that require holistic ratings at the Domain level (Exemplary, Accomplished, Developing, Below Standard) in *Talent Ed* will use the following score point ranges (replacing the previous matrix chart):

Exemplary	3.5-4.0
Accomplished	2.5-3.49
Developing	1.5-2.49
Below Standard	1.0-1.49

Dispute Resolution Process

The purpose of the dispute resolution process is to secure, at the lowest possible administrative level, equitable solutions to situations which may arise related to the evaluation process. The right of appeal is a necessary component of the evaluation process and is available to every participant. The evaluation system is designed to ensure continuous, constructive and cooperative processes. Most disagreements are expected to be worked out informally between evaluators and evaluatees. The resolution process may be implemented at any point during the year when there is a question as to whether or not:

- evaluation procedures and/or guidelines have been appropriately followed
- adequate data has been gathered to support fair and accurate decisions

The resolution process shall be conducted in accordance with the law governing confidentiality.

Procedures

1. The evaluatee will meet and discuss the matter with the evaluator with the object of resolving the matter informally. Within five days, if the matter cannot be resolved, the two parties have the option of bringing the matter before an appeals committee, who will review the areas of difference and suggest compromises or resolutions.
2. The PDEC facilitator and SEA executive board will coordinate a meeting date within 10 workdays. The district's PDEC will have responsibility for overseeing the dispute resolution process, and will establish an Appeals sub-committee. PDEC members, who wish to do so, will serve as members of the Appeals Committee. Additional teachers who are interested in serving on the Appeals Committee will submit an application to their bargaining unit, and be selected by that unit. All who are accepted onto the Appeals Committee must have evaluation ratings of at least proficient or higher in the year prior to their appointment to the committee.

Any dispute that cannot be resolved at the school level can be filed with the Appeals Committee for resolution through a hearing. The dispute will be heard by a minimum of 5 selected members of the

Appeals Committee to include both teachers and administrators. The Appeals Committee must provide recommendations for the dispute. The intent is that all disputes should be resolved at this level.

3. If the recommendations are not mutually agreed upon by the parties involved, then the dispute will rise to the level of the Superintendent. The Superintendent shall review the recommendations of the Appeals Committee and any additional information from the evaluator and evaluatee and shall meet with both parties within five workdays. Within five workdays of the meeting, and review of all documentation and recommendations, the Superintendent will act as arbitrator and make a final decision.
4. The evaluatee shall be entitled to Collective Bargaining representation at all levels of the process.

Time Limits

1. Since it is important that appeals be processed as rapidly as possible, the number of days shall be considered maximum. The time limits specified may be extended by written agreement of both parties.
2. Days shall mean workdays. Both parties may agree, however, to meet during breaks at mutually agreed upon times.
3. If an evaluatee does not initiate the appeals procedure within five workdays of meeting with an evaluator to discuss the area of dispute, the evaluatee shall be considered to have waived the right of appeal.
4. Failure of the evaluatee at any level to appeal to the next level within the specified time shall be deemed to be acceptance of the decision rendered at that level.

EVALUATION OF EDUCATORS WORKING FOR LESS THAN ONE YEAR

The chart below will be used to determine which components of the Evaluation Plan will be required when a staff member completed less than full school year.

Evaluation Strand	2/3rds of Year	½ of School Year	Less than ½ of Year
Track A	2 informals 1 SLO 1 RoP	1 informal 1 SLO	Determined by Evaluator
Track B—Year #1	1 informal 1 SLO 1 RoP	1 informal 1 SLO	Note: not reportable to CSDE

DEFINITION OF TEACHER EFFECTIVENESS AND INEFFECTIVENESS

Novice teachers shall generally be deemed effective if said educator receives at least two sequential accomplished ratings, one of which must be earned in the fourth year of a novice teacher’s career. A below standard rating shall only be permitted in the first year of a novice teacher’s career, assuming a pattern of growth of developing in year two and two sequential accomplished ratings in years three and four. Superintendents shall offer a contract to any educator he/she deems effective at the end of year four. This shall be accomplished through the specific issuance to that effect.

All other educators shall generally be deemed ineffective if said educator receives at least two sequential developing ratings or one below standard rating at any time.

Any teacher earning a *Developing* rating in any year will receive additional support as described in the **Professional Assistance and Support System - PASS** (see below). After the first two years of participating in the plan, teachers will be required to have no more than one summative rating of *Developing* during any two-year period and a summative rating of *Accomplished* or *Exemplary* in the other year. If an Educator earns a *Developing* rating in consecutive years he/she will continue on a PASS plan.

Teachers receiving a rating of *Below Standard* in any year will be placed on an individual teacher improvement and remediation plan (PASS). After one year of PASS participation, the teacher must have a summative rating of at least *Developing* in the next year and *Accomplished* in the second year. After one year without achieving an “accomplished” rating in professional practice or a summative rating of “below standard” or “developing” the teacher shall be deemed ineffective and subject to dismissal.

Rating	Timeframe for Improvement
<i>Below Standard</i>	One school year to achieve a <i>Developing</i> or better rating, with the expectation that in the following year a rating of <i>Accomplished</i> must be achieved
<i>Developing</i>	Two school years to achieve an <i>Accomplished</i> rating. If a <i>Below Standard</i> rating is earned after the first year, the expectation is that an <i>Accomplished</i> or better rating needs to be achieved at the end of the second year in PASS

SYSTEMS OF EDUCATOR SUPPORT

STRUCTURED SUPPORT SYSTEM

In order to help support an educator with a specific focus an educator would receive structured support when an area(s) of concern is identified **during** the school year by his/her evaluator. An educator does not have to be rated as below standard or developing overall to receive a support plan. This support is intended to provide short-term assistance linked to specific indicators and domains where improvement is necessary.

The plan for improvement will be designed and written in a collaborative manner. The educator is encouraged to invite the SEA President or a designee to all meetings. Generally, a Structured Support Plan will be six to eight weeks long or another mutually agreed upon time frame determined at the initial meeting. Throughout the timeframe of the Structured Support Plan a series of meetings will be held and regular feedback to the educator will be provided. **A peer advisor will be assigned to educators under structured support as an additional means of professional growth.**

The educator, local association president or designee, and evaluator or designee will sign the plan. Copies will be distributed to all those who will be involved in the implementation of the plan as well as Superintendent. The contents of the plan will be confidential.

The plan must include the following components:

1. *Area (s) of Improvement*: Identify area(s) of needed improvement.
2. *Rationale for Areas of Improvement*: Evidence that demonstrates an area(s) needing improvement.
3. *Domain*: List domain(s), indicator (s), or attribute (s) in need of improvement (these will now be referred to as the identified areas).
4. *Indicators for Effective Practice*: Identify best practices in the identified area (s) as needing improvement (general practices/pedagogy).
5. *Support and Resources*: Collaboratively (educator and administrator) develop a list of supports and resources the Educator can use to improve, e.g. professional learning opportunities, peer observation, colleague mentor, & books.
6. *Improvement Strategies to be Implemented*: Indicate/document the specific strategies that the Educator will implement to show improvement in identified area(s).
7. *Tasks to Complete*: Specify the tasks the educator and administrator will complete that will improve the identified area (s). The educator and administrator will create a mutually agreed upon timeline, as appropriate.
8. *Indicators of Progress*: Identify how the educator will demonstrate progress towards satisfactory improvement in identified areas through observations, data, artifacts, evidence, etc.

The result of any structured support plan (s) will be reflected in Educator Summative Ratings. Educator and administrator will meet and discuss additional steps for continuous growth, as needed. Peer mentors/advisors may be assigned outside of a structured support plan.

TEACHER PROFESSIONAL ASSISTANCE AND SUPPORT SYSTEM (PASS) (INDIVIDUAL PERFORMANCE REMEDIATION PLAN)

Tenured educators who receive a summative evaluation rating of *Developing* or *Below Standard* will be required to work with their local association president (or designee) and evaluator to design a performance remediation plan. Teachers must receive a summative evaluation rating of *Accomplished* to be removed from an Individual Performance Remediation Plan.

Non-tenured educators who are on a **four-year tenure track** will not be placed on a PASS Plan in their first year unless they earn a **Below Standard** annual summative rating. Educators in the 4-year tenured track must earn *Accomplished* or better in year two, otherwise the educator is placed on a PASS Plan. Non-tenured educators on a **2-year tenure track** will be placed on a PASS Plan if an annual summative rating of *Developing* or *Below Standard* is earned.

The plan will be created within 30 days after the completion of the summative evaluation rating conference and will identify areas of improvement; including supports that the district will provide to address the performance areas identified as needing improvement. After the development of the PASS Individual Performance Remediation Plan, the teacher and evaluator will collaborate to determine the target completion date.

The plan must include the following components:

1. *Area (s) of Improvement*: Identify area(s) of needed improvement
2. *Rationale for Areas of Improvement*: Evidence that demonstrates an area(s) needing improvement
3. *Domain*: List domain(s) rated Developing or Below Standard
4. *Indicators for Effective Practice*: Identify best practices in the identified area (s) as needing improvement (general practices/pedagogy)
5. *Support and Resources*: Collaboratively (educator and administrator) develop a list of supports and resources the Educator can use to improve, e.g. professional learning opportunities, peer observation, colleague mentor, & books
6. *Improvement Strategies to be Implemented*: Indicate/document the specific strategies that the Educator will implement to show improvement in identified area (s)
7. *Tasks to Complete*: Specify the tasks the educator and administrator will complete that will improve the identified area (s). The educator and administrator will create a mutually agreed upon timeline, as appropriate
8. *Indicators of Progress*: Identify how the educator will demonstrate progress towards satisfactory improvement in identified areas through observations, data, artifacts, evidence, etc.

The plan will be designed and written in a collaborative manner. The teacher, local association president or designee, and evaluator or designee will sign the plan. Copies will be distributed to all those who will be involved in the implementation of the plan as well as Superintendent. The contents of the plan will be confidential.

EVALUATION-BASED PROFESSIONAL LEARNING

As our core values indicate, Stafford believes that the primary purpose for professional learning is school improvement as measured by the success of every student. We also believe that professional learning must focus on creating meaningful experiences for all staff members. Designing evaluation-based professional learning is a dynamic process. Working with program goals and data from the educator evaluation process, professional learning is planned to strengthen instruction around identified student growth needs or other areas of identified educator needs.

We recognize that educators as well as students learn in different ways and have different learning needs at different points in their career. To the greatest extent possible, professional learning will be personalized and provide for a variety of experiences, including learning teams, study groups, individual study, etc. as well as opportunities for conducting research and collaborating with colleagues on content based pedagogical activities.

CAREER DEVELOPMENT AND PROFESSIONAL GROWTH

Stafford will provide opportunities for educator career development and professional growth based on the results of the evaluation. Educators with an evaluation of *Accomplished* or *Exemplary* will be able to participate, subject to available budget finds, in opportunities to further their professional growth, including attending state and national conferences and other professional learning opportunities.

For educators rated *Exemplary*, career development and professional growth opportunities such as the following would be considered:

- Mentoring/coaching early-career educators or educators new to Stafford
- Participating in development of educator Professional Assistance and Support System plans for peers whose performance is developing or below standard
- Leading Professional Learning Communities for their peers
- Targeted professional development based on areas of need for the district and/or school
- Other mutually agreed upon experiences

Section 3:

EDUCATION SPECIALIST EVALUATION PLAN

Stafford's Professional Learning and Evaluation Plan also provide both the structure and flexibility required to guide educational specialists and evaluators in understanding their roles in enhancing student learning and assessing their professional practices. The goal is to support these education specialists in their professional growth toward the aim of improved student outcomes. The plan aligns the professional standards for education specialists with outcomes for learning in evaluation of practice, while recognizing the unique responsibilities of each educational specialist. In many instances the requirements and procedures are the same for both teachers and educational specialists. Whenever possible the areas which are different will be described.

Goals of the Education Specialist Professional Learning and Evaluation Plan:

- Improve learner outcomes through meaningful evaluation of practice that is aligned with professional learning
- Improve school wide (or district wide) learning goal outcomes through effective collaboration with educators
- Improve the quality of instruction by ensuring accountability for learner outcomes and educational specialist effectiveness
- Provide professional assistance and support where necessary

Who are Educational Specialists?

Educational Specialists include non-teaching, non-administrative certified education professionals who provide a variety of services to students, teachers, and parents. Stafford's educational specialists may be located exclusively within a single school, in more than one school, or have district wide responsibilities. Stafford administrators are responsible for education specialists' evaluations.

Education Specialist Categories:

- Pupil Personnel Services: school counselors, school psychologists, social workers
- Instructional Support Services: library/media specialists, instructional technology specialist, literacy leader
- Related Services: speech and language pathologists

Performance Standards

It is expected that education specialists and their evaluators will be knowledgeable about the professional standards for each specialist. Those standards form the basis for goal-setting, assessment of professional practice, and alignment of professional learning opportunities with the needs of education specialists. In observations of practice, evaluators will use the domains and indicators outlined in Stafford's Professional Learning Evaluator Program that can be adapted for evaluation of education specialists.

EDUCATION SPECIALIST EVALUATION PROCESS

The process for the evaluation of education specialists is consistent with that of teacher and evaluation processes, and includes the following characteristics:

- A focus on the relationship between professional performance and improved outcomes
- Evaluation of educational specialist performance based on analysis of data from multiple sources
- Observations and reviews of practice that promote professional growth
- A support system for providing assistance when needed

The timelines and processes for the education specialists will be the same as the teacher plan.

The annual evaluation process for an educator will at least include, but not be limited to, the following steps, in order:

1. Orientation (recommended by October 5):

To begin the annual evaluation process, the Director of Curriculum will provide a recorded webinar and supporting documentation to acquaint educators with the temporary flexibilities to the evaluation process and their roles and responsibilities within it. In this training, the following components will be reviewed:

- a) Alignment of goal setting to the *CCT Rubric*
- b) School or district priorities that should be reflected in goals.
- c) Student Learning Objectives (SLOs) related to student outcomes, social-emotional learning and/or achievement.
- d) Data regarding whole-school indicators of student learning and school goals.
- e) Data collection, including types of data and processes for collection and analysis.
- f) Observation structures for staff on track A and track B.

3. Goal Setting Conference – on or about November 1:

In advance of the goal setting conference, the educator will examine data related to current students' performance, previous professional learning goals and evaluation results, and self-assessment on the *CCT Rubric*. Beginning educators may find it helpful to reflect on their goals with their mentors, using TEAM Module Resources and Performance Profiles, to determine a baseline for establishing goals. The educator will draft the following:

- a)) **45% Student Growth and Development:** A minimum of **ONE** SLO to address social-emotional learning, student and/or family engagement, cultural responsiveness, or academic achievement. A minimum of **TWO** IAGDs will be included with the SLO.
- b) **10% Peer Feedback:** **at least two** strategies aligned with a whole-school goal focused on the PDEC commitment to strengthening ongoing communication and engagement with families. An educator may collaborate with grade level or department colleagues.
- c) **5% Whole School Measures:** **at least two** strategies aligned with the whole school indicators of student learning for the school year as determined by the school administrator. These areas may include, but are not limited to, social-emotional learning, providing equitable learning opportunities for all students, professional learning to improve practice, professional learning communities, or best practices for hybrid and remote learning. The educator may collaborate in grade level teams or departments.

The evaluator and education specialist will meet to discuss the specialist’s proposed goals in order to arrive at mutual agreement about them. The goals for the year must be informed by data and evidence collected by the specialist and evaluator about the specialist’s practice. The evaluator may request revisions to the proposed goals and objectives if they do not meet approval criteria.

Examples of data that may be included in the goal-setting conference:

Education Specialist	Evaluator
<ul style="list-style-type: none"> • Specialist Products or Artifacts • Data on Learning or Achievement of Learners • Lesson, intervention, treatment, or customer action plans and records • Artifacts from work of Learners • Client Communication Logs • Data Team Minutes • Journals/notes documenting reflections on practice • Survey Data 	<ul style="list-style-type: none"> • Standardized and Non-Standardized Data (based on the education specialist’s role and caseload) • School, District or Agency Level Data • Observation data based on <i>Common Core of Teaching Rubric for Student and Educator Support Specialists</i> and/or other professional standards documents

Observations

Evaluators will adjust the usual observations of educator practice during the 2021-2022 school year with shorter, more frequent observations depending upon the educator’s placement on the evaluation track (Track A/B). It is recommended that at least one observation will be conducted on or around November 15th.

Evidence collection and review (throughout school year):

The educator will collect evidence about his/her practice and student learning that is relevant to the agreed upon SLOs. The evaluator also will collect evidence about educator practice for discussion in the mid-year conference and summative review.

2. Mid-Year Conference: (recommended by March 15th)

The education specialist collects evidence about his/her practice and outcomes related to the SLOs that are relevant to the agreed-upon professional goals. The evaluator also collects evidence about specialist practice for discussion. The evaluator and education specialist will hold at least one mid-year conference. The conference should focus on processes and progress toward meeting the goals established in the goal-setting conference.

Evidence about practice should be reviewed at this conference. If necessary, specialists and evaluators may mutually agree to revisions to strategies or approaches used and/or mid-year adjustment of SLOs to accommodate changes (e.g., student populations, assignment). They may also discuss actions that the specialist can take and supports the evaluator can provide to promote professional growth in his/her development areas.

3. End-of-Year Summative Review – (recommended by June 15th):

Prior to end of year conference the education specialist shall review and reflect upon all information and data collected during the year. The education specialist should come prepared to discuss

- All components of the evaluation plan, including the targeted areas in the *Common Core of Teaching Rubric for Student and Educator Support Specialists*
- What the education specialist learned throughout the year supported by evidence and reflection
- Suggestions for possible future direction(s) that are related to the outcomes.

The evaluator and the education specialist meet to discuss all evidence/data collected to date and to discuss category ratings. The evaluator and the education specialist meet to discuss all evidence/data collected to date and to discuss category ratings. The evaluator will use the data collected and the results of all conferences to generate category ratings and the final summative rating. The evaluator may adjust the final summative rating **if state test data changes the student-related indicators significantly enough to change the final rating**. Such revisions should take place as soon as possible after state test data are available and before September 15.

COMPONENTS OF EDUCATION SPECIALIST EVALUATION

Components of education specialists' evaluation will reflect the instructions for corresponding categories in the Teacher Evaluation Plan. By legislative mandate, the categories and weighting are standardized for all educators. Other than areas for establishing SLOs and the instrument utilized for observing professional practice, the expectations and processes replicate those specified for teachers.

CATEGORY 1: STUDENT OUTCOMES AND ACHIEVEMENT (45%)

Each education specialist will create, in collaboration with their evaluator, **ONE SLO**, **mutually agreed upon with his/her evaluator**, using the SMART goal format and related to student growth and development. For staff that have one SLO, the entire 45% student outcomes component will be based fully on the results of the single SLO.

Specialists will develop a minimum of **ONE SLO** with a minimum of **TWO IAGDs** focused on:

- social and emotional learning for students OR
- student engagement OR
- engaging families OR
- cultural responsiveness OR
- academic achievement.

As most of the certified staff in the education specialists category will not have standardized measurements to utilize related to student growth and development, it is anticipated that non-standardized measures will be used. It is expected that further guidance and support will emerge from CSDE officials, and perhaps the RESCs, which will

illuminate details about this category for education specialists and provide models and exemplars for districts to use.

SLOs for education specialists will focus on areas that are mutually agreed upon with their evaluator. These areas may not necessarily be directly linked to student achievement as measured by state assessments, national assessments (e.g., SAT, ACT), or other standardized achievement measures. Given the aforementioned, education specialists will be expected to create ONE SLO, in collaboration with their evaluator that will improve student growth and development using non-standardized measures. If a standardized measure is available, the decision to utilize that assessment will be determined collaboratively. Upon consultation and approval of the evaluator, education specialists may work together on the same SLO.

No matter the role and responsibility of an education specialist, the SLO must be measurable by data. The SLO should make clear

- What evidence was or will be examined
- What level of performance is targeted
- What assessment(s)/indicator(s) will be used to measure the targeted level of performance
- What proportion of students is projected to achieve the targeted performance level

SLOs can also address student subgroups, such as high or low-performing students. It is through the examination of student data that education specialists will determine what level of performance to target for which students. The review and approval process of the SLOs will take place during the goal setting conference. To ensure they are as fair, reliable, valid, and useful to the greatest possible extent, evaluators will review and approve the SLOs based on the following criteria:

- **Priority of Content:** SLOs are relevant to the content area and represent the most important purpose of their assignment.
- **Rigor:** SLOs are attainable, but ambitious, and represent at least one year's student growth (or appropriate growth for a shorter interval of instruction). SLOs can be tailored to a specific subgroup or population of students and should represent gains toward grade level expectations.
- **Analysis of Student Outcome Data:** SLOs provide specific, measurable evidence of student outcome data through analysis by the teacher and demonstrate knowledge about students' growth and development.

Assessing progress toward achievement of SLOs

The education specialist reviews all information and data collected during the year. Specialists will reflect on the SLOs using the following as guides:

- Describe the results and provide evidence for each SLO indicator
- Describe what you did that produced these results
- Provide an overall assessment of whether the goal was met
- Describe what you learned and how you will use that information going forward

At the end of year conference, relevant evidence will be submitted to the evaluator. The education specialist and the evaluator will discuss the extent to which the target group of students met the SLOs. To arrive at a rating for each SLO, the evaluator will review the results from data collected as a body of evidence and score the achievement of the SLO holistically. Evaluators will assign one of four ratings with requisite point values to each SLO as defined below.

Exemplary (4)	All or most students in the identified cohort met or exceeded the target(s) contained in the indicator(s).
Accomplished (3)	Most students in the identified cohort met the target(s) contained in the indicators within a few points on either side of the target(s).
Developing (2)	Many students in the identified cohort met the target(s) but a notable percentage missed the target by more than a few points. However, taken as a whole, significant progress towards the goal was made.
Below Standard (1)	A few students in the identified cohort met the target(s) but a substantial percentage of students did not. Little progress toward the goal was made.

CATEGORY 2: WHOLE SCHOOL STUDENT LEARNING INDICATOR (5%)

Five percent (5%) of a teacher’s evaluation shall be based on whole school student learning indicators. Administrators at each school will define a Whole School Learning Indicator(s) to which all certified staff will be held accountable. The selected learning indicator(s) will be connected to the administrator’s evaluation rating for the 45% component.

Staff will be asked to articulate in writing how they will contribute to the achievement of the selected indicator(s). The education specialist, with the approval of their evaluator, may collaborate with other educators or teams to support the identified indicator. Specialists’ actions taken towards achievement of the identified indicator(s) will be discussed during the pre-, mid-year, and post-conferences. Specialists will be expected to bring a sample artifact and other salient documentation from their practice that support and provide evidence of their contributions toward the attainment of the indicator(s).

The evaluator will look at the results as a body of evidence regarding the accomplishment of the Whole School Student Learning Indicator and rate the specialist’s performance holistically using the chart below.

Exemplary	The strategies implemented were of high quality and appropriate quantity and resulted in significant impacts on the identified indicator(s)
Accomplished	The strategies implemented were of good quality and sufficient quantity and resulted in positive impacts on the identified indicator(s)
Developing	The strategies implemented were of below average quality and/or minimal quantity and resulted in some positive impacts on the identified indicator(s)
Below Standard	The implemented strategies were of insufficient quality and/or quantity and resulted in only a small impact on the achievement of the identified indicator(s)

CATEGORY 3: PROFESSIONAL PRACTICE (40%)

Forty percent (40%) of an education specialist’s evaluation will be based on observation of specialist’s practice and performance, using the *Common Core of Teaching Rubric for Effective Service Delivery (2017)* or other professional standard rubric when available. If there are modifications to the *CCT Rubric for Effective Service Delivery (2017)* or other professional standard rubric when available. All educator specialists will follow the same observation cycle requirements as teachers.

Observation Cycle Requirements

No matter the teacher’s placement in the observation cycle, the following elements apply to all:

- Informal observations should not take place prior to the second full week of the academic year.
- Informal observations shall last for a minimum duration of 20 minutes.
- Teachers who receive a summative performance evaluation designation of *Below Standard* or *Developing* shall receive the number of observations appropriate to their individual development plan, but no fewer than three in-class formal observations. Each of the observations will include a pre-conference and a post-conference with timely written and/or verbal feedback.
- Feedback in a timely manner shall be defined as within two business weeks (not including weekend days).

Stafford Public Schools Observation Cycle Requirements			
	Formal Observation	Informal Observation	Review of Practice
TRACK A: New to Profession, Year 1 and 2 to Stafford, PASS	0	3	1
TRACK B: Year #1: Accomplished or Exemplary	0	2	1
TRACK B: Year #2: Accomplished or Exemplary	0	2	1
TRACK B: Year #3: Accomplished or Exemplary	0	2	1
<p>A. Each cell refers to the required minimum. Additional formal in-class observations, informal observations, and/or reviews of practice are at the discretion of the evaluator.</p> <p>B. Informal observations may be unannounced and focus on domains 1 and 3. For informal observations, the quality of the observable attributes is more important than the quantity of observed attributes.</p> <p>C. The requirements for each cycle year assume a summative rating of accomplished or better the previous year.</p> <p>D. Additional in-class observations may be requested by the teacher as per mutual agreement with his/her evaluator.</p>			

Note: It is recognized that all *CCT Rubric for Effective Service Delivery (2017)* indicators, or other professional practices indicators which may be used, are **NOT** expected to be present in each observation. In most instances,

over the period of multiple observations almost all of the indicators will be evident. In addition, some indicators in some domains may not be applicable to some specialists.

Over the course of the school year, evaluators will gather evidence from three sources- teacher conferences, classroom observations, and reviews of practice- to collect data to:

- Facilitate professional conversation regarding the quality of teacher practice
- Provide constructive oral and written feedback of observations
- Provide information for the on-going calibration of evaluators and evaluation practices

Deadlines for Observations

To ensure the presence of timely feedback to staff to foster a culture of ongoing reflection and professional growth, the following dates should be observed for completion of formal or informal observations:

Track A	Track B
Observation #1: Completed prior to November 15 th	Observation #1: Completed prior to November 15 th
Observation #2: Completed prior to March 15 th	Observation #2: Completed prior to March 15 th
Observation #3: Completed prior to April 30 th	

Adjustments to this schedule can be made but must be mutually agreed upon between teacher and evaluator.

Reviews of Practice (RoP)

Reviews of Practice will be conducted this year for staff members on both Track A and Track B of the Stafford Educator Evaluation Plan. For all teachers, a segment of the 40% of the observation of performance and practice category must include a teacher’s work on elements of Domain 4: Professional Responsibilities and Teacher Leadership.

- Prior to the goal-setting meeting, staff will self-assess and rate themselves on up to two Domain Four attributes.
- At the goal-setting meeting, staff, in collaboration with their evaluator, will discuss the self-rating, possible evidence, and impact on practice.
- At the mid-year meeting, a rating for Domain Four will be determined after discussion and a review of evidence with the staff member.
- The *CCT Rubric* for Four will be the primary tool for determining the final rating for the Review of Practice.

Examples of observations or reviews of practice include but are not limited to:

- Collaborative lesson planning to reflect interdisciplinary, 21st century, and/or Common Core/SAT expectations
- PPT and/or IEP planning and implementation
- Data team/PLC processes and outcomes
- Sharing implementation of best practices as a result of professional learning experiences at a faculty meeting
- Facilitation or co-facilitation of district in-service session
- Share the impact of leadership at school or district level
- Share the effect of SRBI, department, and/or grade level contributions

- Use of student work to modify and/or plan differentiated instruction
- Additional examples may emerge as result of suggestions from the Educator Evaluation Committee during the school year

The final rating for the Performance and Practice category will combine the summative rating for Domains One through Three if using the *CCT Rubric for Effective Service Delivery (2015)* or another professional practice rubric, with the rating for Domain Four. No matter the professional practices rubric that is used all education specialists will be rated for Domain Four of *CCT Rubric for Effective Service Delivery (2015)*-Profession Responsibilities and Leadership.

Final Evaluation Ratings for Performance and Practice

The final rating for the Performance and Practice category will combine the summative rating for Domains One through Three with the rating for Domain Four.

Domains One through Three: After gathering and analyzing evidence, evaluators will assign ratings of Exemplary, Accomplished, Developing, or Below Standard for the observations and review of practice.

Exemplary	3.5-4.0
Accomplished	2.5-3.49
Developing	1.5-2.49
Below Standard	1.0-1.49

There are different requirements for the 40% component that are dependent upon the assigned observation cycle and whether a staff member is tenured or not. The formulas for computing the final rating for Domains One, Two, and Three are as follows:

Track A-New to the Profession, Years 1 and 2 in Stafford, PASS: average score of three observations. No Review of Practice (RoP).

Track B: 2 informal observations (66.6%), 1 Review of Practice (33.3%)

Domain Four- Professional Responsibilities and Education Specialist Leadership

A rating will be assigned for Domain Four. Teachers' efforts and actions as well as connections to the RoP related to this domain will be discussed during the pre-, mid-year, and/or post conferences. Teachers will be expected to provide evidence of their contributions related to the indicators enumerated in Domain Four in the CCT Rubric. The evaluator should look at the results as a body of evidence of each teacher's performance. The CCT Rubric will be used as a guide for the Domain Four indicators and the holistic rating will be made at the Domain level. The four-level scale- Exemplary, Accomplished, Developing, and Below Standard will be used for the holistic rating. The reporting forms for Domain Four will reflect the three Domain Four indicators. Depending upon the teacher's performance rating for Domain Four, the final rating for Teacher Performance and Practice (40%) **may increase or decrease by one rating level.**

CATEGORY 4: WHOLE SCHOOL PEER FEEDBACK GOAL (10%)

Ten percent (10%) of an education specialist's evaluation shall be based on peer feedback, including data from surveys, and possibly focus group data.

To gain insight into what staff perceives about our ability to accomplish this, a school-wide survey will be used. A survey instrument based upon research will be used as the basis for Stafford's survey. The staff survey will be administered, possibly on-line, to allow for anonymous responses. Surveys will be administered at least one time per year, preferably in the spring. The resulting survey data will be used by teachers as baseline data for the following academic year. Survey data will be analyzed by administrators and no more than three areas for improvement will be presented to the faculty in the form of the 10% indicator. Once the school goal has been determined, a focus group of teachers will identify potential indicators to meet. Teachers will select two strategies that they will implement to aid in achieving the school-wide goal. The education specialist, with the approval of their evaluator, may collaborate with other educators or teams to support the identified indicator.

Efforts and actions taken towards achievement of the school goal will be discussed during the pre-, mid-year, and post-conferences. Education Specialists will be expected to provide evidence of their contributions to the attainment of this indicator. The evaluator should look at the results as a body of evidence regarding the accomplishment of the school goal and rate the education specialist's performance holistically using the chart below. Educator Specialists' ratings will be determined using a 4-level performance matrix. Ratings will be based on evidence of teacher's implementation of strategies to address areas of need as identified by the survey results.

Exemplary	The strategies implemented were of high quality and appropriate quantity and resulted in significant impacts on the identified whole school goal
Accomplished	The strategies implemented were of good quality and sufficient quantity and resulted in positive impacts on the identified whole school goal
Developing	The strategies implemented were of below average quality and/or minimal quantity and resulted in some positive impacts on the identified whole school goal
Below Standard	The implemented strategies were of insufficient quality and/or quantity and resulted in only a small impact on the achievement of the identified whole school goal

EVALUATION OF EDUCATORS WORKING FOR LESS THAN ONE YEAR

The chart below will be used to determine which components of the Evaluation Plan will be required when a staff member completed less than full school year.

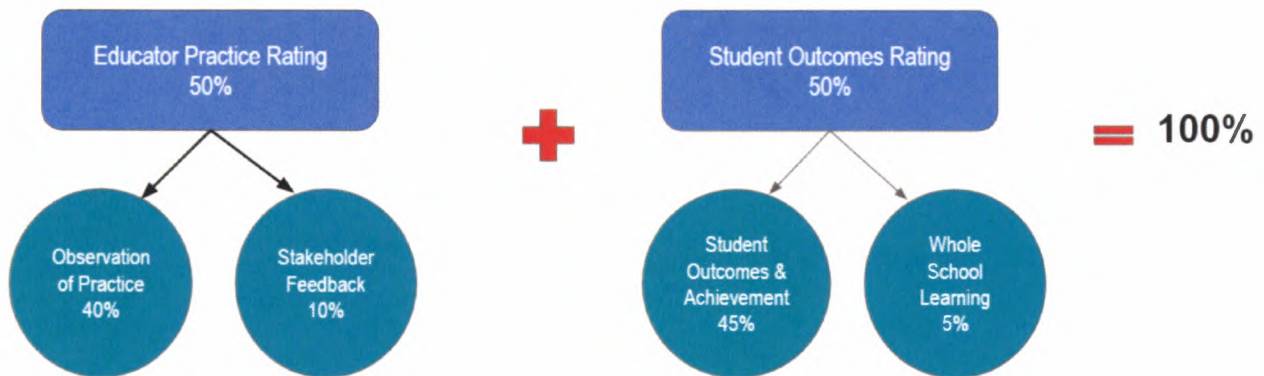

Evaluation Strand	2/3rds of Year	½ of School Year	Less than ½ of Year
Track A	2 informals 1 SLO 1 RoP	1 informal 1 SLO	Determined by Evaluator Note: not reportable to CSDE
Track B—Year #1	1 informal 1 SLO 1 RoP	1 informal 1 SLO	

FINAL SUMMATIVE TEACHER EVALUATION RATING:

Each teacher shall annually receive a summative rating in one of four levels:

- ☑ An **Exemplary** rating is reserved for performance that significantly exceeds Proficient and could serve as a model for teachers district wide.
- ☑ An **Accomplished** rating represents fully satisfactory performance. It is the rigorous standard expected for experienced teachers.
- ☑ A **Developing** rating means that performance is meeting Proficient ratings in some indicators but not others. Improvement is necessary and expected.
- ☑ A **Below Standard** rating indicates performance that is below Proficient on many components and/or unacceptably low on one or more indicators.

The process for determining summative evaluation ratings has three steps:

A. Teacher Practice: Teacher Performance & Practice (40%) + Peer Feedback (10%) = 50%

The Teacher Practice rating derives from the combined results for a teacher's performance component and Peer Feedback. Depending upon the teacher's performance rating for Peer Feedback, the final rating for Teacher Practice **may increase or decrease by one rating level**.

B. Student Outcomes: Student Outcome & Achievement (45%) + Whole-School Student Learning Indicators (5%) = 50%

The Student Outcomes rating derives from the student outcome & achievement measures (SLO goals) and whole school learning indicator(s) outcomes. Depending upon the teacher's performance rating for whole school learning indicator(s), the final rating for this category **may increase or decrease by one rating level**.

Final Summative Rating: Practice (50%) + Outcomes (50%) = 100%

The final summative rating for all components, including the final summative rating, that require holistic ratings at the Domain level (Exemplary, Accomplished, Developing, Below Standard) in *Talent Ed* will use the following score point ranges (replacing the previous matrix chart):

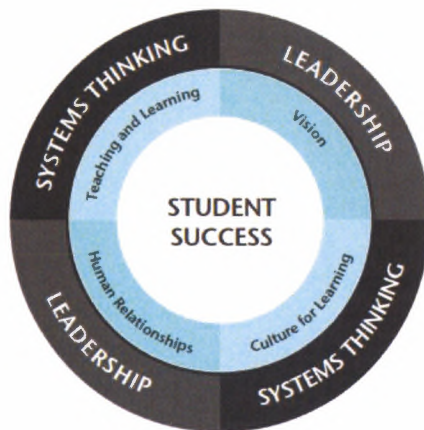

Exemplary	3.5-4.0
Accomplished	2.5-3.49
Developing	1.5-2.49
Below Standard	1.0-1.49

The following components of the education specialist evaluation plan are exactly the same as the teacher evaluation plan. Please review each of these sections for expectations and processes.

- Dispute Resolution (pp. 24- 25)
- Definition of teacher effectiveness and ineffectiveness (p. 26)
- Structured Support System (p. 27)
- Professional Assistance and Support System (PASS) (pp. 28-29)
- Evaluation Based Professional Learning (p. 29)
- Career Development and Professional Growth (pp. 29-30)

Section 4:

ADMINISTRATOR EVALUATION PLAN

OVERVIEW

Stafford's administrator evaluation and support plan defines administrator effectiveness in terms of (1) administrator practice, i.e., the actions taken by administrators that have been shown to impact key aspects of school life); (2) the results that come from this leadership on teacher effectiveness and student achievement; and (3) the perceptions of the administrator's leadership among key stakeholders in their community.

The plan describes four levels of performance for administrators and focuses on the practices and outcomes of effective administrators. These administrators can be characterized as:

- Meeting expectations as an instructional leader
- Meeting expectations in at least two other areas of practice
- Meeting one target related to stakeholder feedback
- Meeting state accountability growth targets on tests of core academic subjects
- Meeting and making progress on two SLOs (Student Learning Objectives) aligned to school and district priorities
- Having more than 60% of teachers attaining student growth targets

This document describes the administrator evaluation plan, beginning with a set of underlying core design principles, the four components on which administrators are evaluated – leadership practice, stakeholder feedback, student learning and teacher effectiveness, the process of evaluation, and the steps evaluators take to reach a summative rating for an administrator.

COMPONENTS OF THE ADMINISTRATOR EVALUATION PLAN

The evaluation of administrators, as well as supports for their ongoing growth and development, are based on four categories:

CATEGORY #1: INSTRUCTIONAL LEADERSHIP—PERFORMANCE AND PRACTICE (40%)

An assessment of an administrator's leadership practice – by direct observation of practice and the collection of other evidence – is 40% of an administrator's summative rating.

Leadership practice is described in the *Common Core of Leading: Connecticut School Leadership Standards (CSLS)* that was adopted by the Connecticut State Board of Education in June of 2012. The *CT Leader Evaluation and Support Rubric 2017* was developed to capture the most essential skills of leaders as defined in the six performance expectations of the *Common Core of Leading*. In the revised rubric, the six Performance Expectations of the CCL-CSLS have been reorganized into four domains. The four domains are as follows: Instructional Leadership, Talent Management, Organizational Systems, and Culture and Climate.

The four domains and the requisite indicators of each in the *CT Leader Evaluation and Support Rubric 2015* are as follows:

Domain 1: Instructional Leadership Indicator

- 1.1 Shared Vision, Mission and Goals
- 1.2 Curriculum, Instruction and Assessment
- 1.3 Continuous Improvement

Domain 2: Talent Management Indicator

- 2.1 Recruitment, Selection and Retention
- 2.2 Professional Learning
- 2.3 Observation and Performance Evaluation

Domain 3: Organizational Systems Indicator

- 3.1 Operational Management
- 3.2 Resource Management

Domain 4: Culture and Climate Indicator

- 4.1 Family, Community and Stakeholder Engagement
- 4.2 School Culture and Climate
- 4.3 Equitable and Ethical Practice

In order to arrive at these ratings, administrators are measured against the Leader Evaluation Rubric which describes leadership actions across four performance levels for each of the four Connecticut School Leadership domains and associated-indicators as described in the *CT Leader Evaluation and Support Rubric 2015*. The four performance levels are:

- **Exemplary:** The Exemplary Level focuses on the concepts of developing capacity for action and leadership beyond the individual leader. Collaboration and involvement from a wide range of staff, students and stakeholders is prioritized as appropriate in distinguishing Exemplary performance from Proficient performance.
- **Accomplished:** The rubric is anchored at the Accomplished Level using the indicator language from the Connecticut School Leadership Standards. The specific indicator language is highlighted in **bold** at the Proficient level.
- **Developing:** The Developing Level focuses on leaders with a general knowledge of leadership practices but most of those practices do not necessarily lead to positive results.
- **Below Standard:** The Below Standard Level focuses on a limited understanding of leadership practices and general inaction on the part of the leader.

Two key concepts, indicated by bullets, are often included as indicators. Each of the concepts demonstrates a continuum of performance across the row, from *below standard* to *exemplary*.

Assigning ratings for each domain

Performance indicators provide examples of observable, tangible behavior that indicate the degree to which administrators are meeting each domain. Evaluators and administrators will review performance at the domain level, **NOT** at the indicator level. Additionally, it is important to document an administrator's performance on each domain with evidence generated from multiple indicators, but not necessarily all indicators. As part of the evaluation process, evaluators and administrators should identify a few specific areas for ongoing support and growth.

Assessing the practice of administrators other than principals and assistant principals.

For administrators in non-school roles, administrator practice will be assessed based upon ratings from evidence collected directly from the Connecticut School Leadership Standards and the *CT Leader Evaluation and Support Rubric 2017*. The leader evaluation rubric will be used in situations where it is applicable to the role of the administrator.

Leadership Practice Summative Rating

Summative ratings are based on the preponderance of evidence for each domain in the *CT Leader Evaluation and Support Rubric 2017*. Evaluators collect written evidence about and observe the administrator's leadership practice across the four domains and relative indicators described in the rubric. Specific attention is paid to leadership performance areas identified as needing development. This is accomplished through the following steps, undertaken by the administrator being evaluated and by the evaluator completing the evaluation:

The administrator and evaluator meet for a Goal-Setting Conference by November 1st, to identify focus areas for development of the administrator's leadership practice.

1. The administrator being evaluated collects evidence about his/her practice and the evaluator collects evidence about administrator practice with particular focus on the identified focus areas for development.
 - A minimum of **TWO** site visits AND one artifact review for administrators with two or more years of experience (assuming rating of accomplished or exemplary).
 - A minimum of **THREE** site visits AND two artifact reviews for administrators new to the district, or who demonstrated developing or below standard for 2019-2020.
2. The administrator being evaluated and the evaluator hold a Mid-Year Formative Conference by February 1 with a focused discussion of progress toward proficiency in the focus areas identified as needing development.
3. By May 30, the administrator being evaluated reviews all information and data collected during the year and completes a summative self-assessment for review by the evaluator, identifying areas of strength and continued growth as well as progress on their focus areas.
4. By July 31st, the evaluator and the administrator being evaluated meet to discuss all evidence collected. The evaluator will utilize the artifacts and dialogue with the administrator to prepare a narrative summary of the growth goals, areas to target for improvement, and commendations.

Orientation and Training Programs

Prior to the start of the school year, Stafford will provide all evaluators of administrators with training focused on the administrator evaluation system. Training will include

- an in-depth overview and orientation of the four categories that are part of the plan
- the process and timeline for plan implementation
- the process for arriving at a summative evaluation
- use of the evaluation management system
- use of the Leadership Practice Rubric, so that evaluators are thoroughly familiar with the language, expectations, and examples of evidence required for administrator proficiency
- conducting effective observations and providing high-quality feedback

Additional sessions will be provided throughout the academic year, as needed, which will provide administrators with access to resources and to connect with colleagues to deepen their understanding of the Evaluation Program.

Leadership Practice Matrix for Principals and Central Office Administrators (40%)

Exemplary (4)	Accomplished (3)	Developing (2)	Below Standard (1)
Exemplary on Instructional Leadership and Exemplary on at least 1 other domain and No rating below Accomplished on any domain	At least Accomplished on Instructional Leadership and At least Accomplished on at least 1 other domain and No rating below Developing on any domain	At least Developing on Instructional Leadership and At least Developing on at least 1 other domain	Below Standard on Instructional Leadership and/or Below Standard on any 3 domains

CATEGORY #2: STAKEHOLDER FEEDBACK (10%)

Feedback from stakeholders assessed by administration of a survey with measures that align to the Connecticut Leadership Standards is 10% of an administrator’s summative rating. A research-based survey instrument will be used.

To gain insight into what stakeholders perceive about administrators’ effectiveness, for each administrative role, the stakeholders surveyed will be those in the best position to provide meaningful feedback. For school-based administrators, stakeholders solicited for feedback will include teachers and parents, but may include other stakeholders (e.g., other staff, community members, students, etc.).

The surveys will be administered, possibly on-line, to allow for anonymous responses. All administrators will collect and analyze stakeholder feedback data that will be used for continuous improvement. Surveys will be administered one time per year, preferably in May. The survey data will be used by administrators as baseline data for the following academic year. Once the stakeholder feedback goal has been determined by the administrator, the administrator will identify the strategies he/she will implement to meet the target.

CATEGORY #3: SLO GOALS (45%)

Forty-five percent (45%) of an administrator's summative rating shall be based on multiple student learning indicators.

- A. An administrator's evaluation shall be based on a minimum of TWO student learning indicators or measures of accomplishment focused on:
 - i. Supporting the health, safety, and social and emotional well-being, of staff and students,
 - ii. Ensuring equity for the most vulnerable students and their families,
 - iii. Mastery-based learning, or
 - iv. Developing systematic approaches to incorporating social and emotional practices and/or culturally responsive practices into teaching and learning process.

For 092 holders serving in central office administrative roles, districts shall rate performance based on results in the group of schools, group of students, or subject area most relevant to the administrator's job responsibilities, or on district-wide student learning results.

Administrators have broad discretion in selecting indicators, including, but not limited to:

- Student performance or growth on state-administered assessments and/or district-adopted assessments not included in the state accountability measures (e.g., commercial content area assessments, Advanced Placement examinations, International Baccalaureate examinations).
- Students' progress toward graduation in the school using strong predictive indicators, including but not limited to 9th and/or 10th grade credit accumulation and/or the percentage of students that pass 9th and/or 10th grade subjects most commonly associated with graduation.
- Students' performance or growth on school- or classroom-developed assessments in subjects and grade levels for which there are not available state assessments.

The process for selecting measures and creating SLO goals will strike a balance between alignment to student learning priorities and a focus on the most significant school-level student learning needs. To do so, it is critical that the process unfold in this way (described for principals):

- First, establish student learning priorities for a given school year based on available data.
- The principal uses available data to craft an improvement plan for the school. This is done in collaboration with other stakeholders and includes a manageable set of clear student learning targets.

- The principal chooses student learning priorities for her/his own evaluation that are (a) aligned to district priorities (unless the school is already doing well against those priorities) and (b) aligned with the school improvement plan.
- The principal chooses measures that best assess the priorities and develops clear and measurable goals for the chosen assessments/indicators.
- The principal shares the SLO goals with her/his evaluator, informing a conversation designed to ensure that:
 - The SLO goals are attainable.
 - There is adequate data that can be collected to make a fair judgment about whether the administrator met the established SLO goals.
 - The SLO goals are based on a review of student characteristics (e.g., mobility, attendance, demographic and learning characteristics) relevant to the assessment of the administrator against the objective.
 - The professional resources are appropriate to supporting the administrator in meeting the performance targets.
- The administrator being evaluated and the evaluator collect interim data on the SLO goals to inform a mid-year conversation (which is an opportunity to assess progress and, as needed, adjust targets) and summative data.

CATEGORY #4: TEACHER EFFECTIVENESS (5%)

Teacher effectiveness – as measured by an aggregation of teachers’ SLO goals – is 5% of an administrator’s evaluation. Improving teacher effectiveness is central to a principal’s role in driving improved student learning outcomes. That is why, in addition to measuring the actions that principals take to increase teacher effectiveness – from hiring and placement to ongoing professional development to feedback on performance – the principal evaluation model also assesses the outcomes of all of that work.

As part of Stafford’s educator evaluation plan, educators are assessed in part on their accomplishment of their SLO goals. This is the basis for assessing principals’ contribution to teacher effectiveness outcomes.

Exemplary	Effective	Developing	Below Standard
81-100% of teachers are rated <i>accomplished</i> or <i>exemplary</i> on the student growth portion of their evaluation	61-80% of teachers are rated <i>accomplished</i> or <i>exemplary</i> on the student growth portion of their evaluation	41-60% of teachers are rated <i>effective</i> or <i>exemplary</i> on the student growth portion of their evaluation	0-40% of teachers are rated <i>effective</i> or <i>exemplary</i> on the student growth portion of their evaluation

ADMINISTRATOR EVALUATION PROCESS

This section describes the process by which administrators and their evaluators collect evidence about practice and results over the course of a year, culminating with a final rating and recommendations for continued improvement.

OVERVIEW

Each administrator participates in the evaluation process as a cycle of continuous improvement. The cycle is the centerpiece of state core requirement guidelines designed to have all educators play a more active, engaged role in their professional growth and development. For every administrator, evaluation begins with goal-setting for the school year, setting the stage for implementation of a goal-driven plan. The cycle continues with a Mid-Year Formative Review, followed by continued implementation. The latter part of the process offers administrators a chance to self-assess and reflect on progress to date, a step that informs the summative evaluation. Evidence from the summative evaluation and self-assessment become important sources of information for the administrator's subsequent goal setting, as the cycle continues into the subsequent year.

SCHOOL YEAR: PLAN IMPLEMENTATION AND EVIDENCE COLLECTION

JULY	AUGUST	JANUARY	MAY	JUNE
Orientation and context setting	Goal setting and plan development	Mid-year formative review	Self-assessment	Summative Conference

Step 1: Orientation and Context-Setting by August 31

To begin the process, the administrator needs five things to be in place:

1. Student learning data are available for review by the administrator.
2. Stakeholder survey data are available for review by the administrator.
3. The superintendent has communicated his/her student learning priorities for the year.
4. The administrator has developed a school improvement plan that includes student learning goals.
5. The evaluator has provided the administrator with this document in order to orient her/him to the evaluation process.

Step 2: Goal-Setting and Plan Development by August 31

Before a school year starts, administrators will:

1. identify a target for growth,
2. identify two SLO goals and
3. identify one stakeholder feedback target.

Administrators will then identify the two specific areas of focus for their practice **that will help them accomplish** their SPI targets, their SLO goals, and their stakeholder feedback target, choosing from among the elements of the Connecticut School Leadership Standards. Administrators will identify these two specific focus areas of growth in order to facilitate a professional conversation about their leadership practice with their evaluator. What is critical is that the administrator can connect improvement in the practice focus areas to growth in performance indicators, the SLO goals and the stakeholder feedback target, creating a logical through-line from practice to outcomes.

Next, the administrator and the evaluator meet in OCTOBER to discuss and agree on the selected outcome goals and practice focus areas.

The evaluator and administrator also discuss the appropriate resources and professional development needs to support the administrator in accomplishing the goals. Together, these components – the goals, the practice areas and the resources and supports – comprise an individual’s evaluation plan. In the event of any disagreement, the evaluator has the authority and responsibility to finalize the goals, supports and sources of evidence to be used.

The goal-setting form is to be completed by the administrator being evaluated. The focus areas, goals, activities, outcomes, and time line will be reviewed by the administrator’s evaluator prior to the beginning work on the goals. The evaluator may suggest additional goals as appropriate.

The evaluator will establish a schedule of school visits with the administrator to collect evidence and observe the administrator’s work. The first visit will take place near the beginning of the school year to ground the evaluator in the school context and the administrator’s evaluation plan. Subsequent visits will be planned at two- to three-month intervals.

A note on the frequency of school site observations:

- A minimum of two site visits for administrators with two or more years of experience who maintained Accomplished or Exemplary ratings for the 2020-2021 school year.
- A minimum of three site visits for administrators who are new to the profession or the district, or who demonstrated Developing or Below Standard ratings for the 2020-2021 school year.

Step 3: Mid-Year Formative Review:

Midway through the school year there will be a formal check-in to review progress. In preparation for meeting:

- The administrator analyzes available student achievement data and considers progress toward outcome goals.
- The evaluator reviews observation and feedback forms to identify key themes for discussion.

The administrator being evaluated and the evaluator hold a Mid-Year Formative Conference, with explicit discussion of progress toward student learning targets, as well as any areas of performance related to standards of performance

and practice. The meeting is also an opportunity to surface any changes in the context (e.g., a large influx of new students) that could impact accomplishment of outcome goals; goals may be changed at this point.

Step 4: Self-Assessment:

By May 30, the administrator being evaluated completes a self-assessment on his/her practice on all 18 elements of the Connecticut Leadership Standards. For each element, the administrator being evaluated determines whether he/she:

- Needs to grow and improve practice on this element;
- Has some strengths on this element but needs to continue to grow and improve;
- Is consistently effective on this element; or
- Can empower others to be effective on this element.

The administrator being evaluated will also review his/her focus areas and determine if s/he considers themselves on track or not. The administrator being evaluated submits his/her self-assessment to his/her evaluator.

Step 5: Summative Review and Rating:

The administrator being evaluated and the evaluator meet by June 30 to discuss the administrator's self-assessment and all evidence collected over the course of the year. This meeting serves as an opportunity to convey strengths, growth areas.

The evaluator completes the summative evaluation report, shares it with the administrator, and adds it to the principal's personnel file with any written comments attached that the principal requests to be added within two weeks of receipt of the report.

SUMMATIVE ADMINISTRATOR EVALUATION RATING

Each administrator will annually receive a summative rating in one of four levels:

1. **Exemplary:** Exceeding indicators of performance
2. **Accomplished:** Meeting indicators of performance
3. **Developing:** Meeting some indicators of performance but not others
4. **Below standard:** Not meeting indicators of performance

Effective represents fully satisfactory performance. It is the rigorous standard expected for most experienced administrators. Specifically, effective administrators can be characterized as:

- Meeting expectations as an instructional leader
- Meeting expectations in at least two other areas of practice
- Meeting and making progress on one target related to stakeholder feedback

- Meeting state accountability growth targets on tests of core academic subjects
- Meeting and making progress on two SLO goals aligned to school and district priorities
- Having more than 60% of teachers proficient on the student growth portion of their evaluation

Supporting administrators to reach proficiency is at the very heart of this evaluation model.

Exemplary ratings are reserved for performance that significantly exceeds proficiency and could serve as a model for leaders district-wide.

A rating of *developing* means that performance is meeting proficiency in some components but not others. Improvement is necessary and expected and two consecutive years at the *developing* level is, for an experienced administrator, a cause for concern. On the other hand, for principals in their first year, performance rated *developing* is expected. If, by the end of three years, performance is still *developing*, there is cause for concern.

A rating of *below standard* indicates performance that is below proficient on all components or unacceptably low on one or more components.

Determining Summative Ratings

FINAL SUMMATIVE TEACHER EVALUATION RATING:

The process for determining summative evaluation ratings has three steps:

A. ADMINISTRATOR PRACTICE RATING: Leadership Practice (40%) + Stakeholder Feedback (10%) = 50%

The practice rating derives from an administrator's performance on the six performance expectations of the leader evaluation rubric and the stakeholder feedback target. As shown in the Summative Rating Form evaluators record a rating for the performance expectations that generates an overall rating for leadership practice. The Stakeholder Feedback rating is combined with the Leadership Practice rating and the evaluator uses the matrix to determine an overall Practice Rating.

B. ADMINISTRATOR OUTCOMES RATING: SLO goals (45%) + Teacher Effectiveness (5%) = 50%

The outcomes rating derives from the two student learning measures – state test results (SPI) and SLO goals – and teacher effectiveness outcomes. As shown in the Summative Rating Form, state reports provide an assessment rating and evaluators record a rating for the SLO goals agreed to in the beginning of the year. These two combine to form the basis of the overall SLO goals rating. The Teacher Effectiveness rating is combined with the SLO goals rating and the evaluator uses the matrix to determine an overall Outcomes Rating.

C. FINAL SUMMATIVE: Practice (50%) + Outcomes (50%) = 100%

The Summative rating combines the practice and outcomes ratings using the matrix below.

If the two areas in any Matrix are highly discrepant (e.g., a rating of exemplary for Administrator Practice and a rating of Below Standard for Administrator Outcomes), then the evaluator and the evaluatee will re-examine the data and/or gather additional information in order to determine the rating for the Matrix. If upon re-examination of the data, the ratings do not change, the evaluator will use the Matrix to determine the rating

The process for determining summative evaluation ratings has three steps: (a) determining an administrator practice rating, (b) determining an administrator outcomes rating and (c) combining the two into an overall rating.

Administrator Practice Rating (50%)					
		Exemplary	Proficient	Developing	Below Standard
Administrator Outcomes Rating (50%)	Exemplary	Exemplary	Exemplary	Proficient	Developing
	Proficient	Exemplary	Proficient	Proficient	Developing
	Developing	Proficient	Proficient	Developing	Below Standard
	Below Standard	Developing	Developing	Below Standard	Below Standard

DISPUTE RESOLUTION PROCESS FOR FINAL SUMMATIVE RATING

The purpose of the dispute resolution process is to secure, at the lowest possible administrative level, equitable solutions to situations which may arise related to the evaluation process. The right of appeal is a necessary component of the evaluation process and is available to every participant. The evaluation system is designed to ensure continuous, constructive and cooperative processes. Most disagreements are expected to be worked out informally between evaluators and evaluatees.

The dispute resolution process for resolving disputes in cases where the evaluator and administrator cannot agree on goals/objectives, the evaluation period, or the professional development plan involves the following:

- the issue in dispute will be referred for resolution to a subcommittee of the professional development and evaluation committee (PDEC)
- the superintendent and the respective collective bargaining unit for the district will each select one representative from the PDEC to constitute this subcommittee, as well as a neutral party, as mutually agreed upon between the superintendent and the collective bargaining unit
- in the event that the designated committee does not reach a unanimous decision, the issue shall be considered by the superintendent whose decision shall be binding

The resolution process may also be implemented when an administrator has received a final summative rating of *Developing* or *Below Standard* and there is a question as to whether or not:

- evaluation procedures and/or guidelines have been appropriately followed
- adequate data has been gathered to support fair and accurate decisions

The resolution process shall be conducted in accordance with the law governing confidentiality.

Procedures

1. If, after the Final Summative Meeting, the administrator disagrees with the supervisor's assessment, the administrator has a right to attach a statement to the evaluation report identifying the areas of concern, presenting a different perspective, and requesting another meeting. Within five work days of receiving the administrator's statement, a meeting will be convened to discuss the identified areas of concerns with the object of resolving the matter informally.
2. If there has been no satisfactory resolution, the two parties have the option of referring the dispute to a neutral group (such as area superintendents, qualified RESC and/or CAS personnel), mutually agreed upon, who will review the areas of difference and suggest compromises or resolutions. The resulting opinion(s) from the neutral group will become part of the record. The recommendations of the mutually agreed upon neutral group will be considered by the Superintendent, whose decision shall be binding.
3. The evaluatee shall be entitled to Collective Bargaining representation at all levels of the process.

Time Limits

1. Since it is important that appeals be processed as rapidly as possible, the number of days shall be considered maximum. The time limits specified may be extended by written agreement of both parties.
2. Days shall mean work days. Both parties may agree, however, to meet during breaks at mutually agreed upon times.
3. If an evaluatee does not initiate the appeals procedure within five work days of acknowledged receipt of evaluation materials, the evaluatee shall be considered to have waived the right of appeal.

Failure of the evaluatee at any level to appeal to the next level within the specified time shall be deemed to be acceptance of the decision rendered at that level

Definition of Effectiveness and Ineffectiveness

Administrator effectiveness will be based upon a pattern of summative administrator ratings collected over time. In order to be deemed effective, administrators will need to have a summative rating of **Accomplished** or Exemplary. Administrators are required to be **Accomplished** within 2 years of being evaluated using this plan.

Any administrator having a summative rating of Developing or Below Standard after 1 year of being evaluated with this plan may be placed on an individual improvement plan. **(See Professional Assistance and Support System, or PASS, below)**

After one year of participating in PASS, the administrator receiving the support will be expected to have a summative rating of **Accomplished** or Exemplary. Administrators not receiving a summative rating of **Accomplished** or Exemplary after 1 year of PASS may be placed on an additional year of PASS. No administrators will be placed on PASS for more than 2 consecutive years.

ADMINISTRATOR PROFESSIONAL ASSISTANCE AND SUPPORT PLAN (PASS) (INDIVIDUAL IMPROVEMENT AND REMEDIATION PLAN)

Administrators who receive a summative evaluation rating of “Developing” or “Below Standard” will be required to work with his/her evaluator (or designated PASS Administrator Performance Remediation Plan Developer) to design an administrator performance remediation plan. The plan will be created within 30 days after the completion of the summative evaluation rating conference. The administrator performance remediation plan will identify areas of needed improvement and include supports that will be provided to address the identified performance areas. After the development of the remediation plan, the administrator and evaluator will collaborate to determine the target completion date. Administrators must receive a summative evaluation rating of **Accomplished** within a year of the development of his/her PASS Administrator Performance Remediation Plan.

The plan must include the following components:

1. *Areas of Improvement*: Identify area of needed improvement.
2. *Rationale for Areas of Improvement*: Evidence from observations that show an area needing improvement.
3. *Performance Expectation*: List performance expectation rated “developing” or “below standard.”
4. *Indicators for Effective Leading*: Identify exemplar practices in the area identified as needing improvement.
5. *Improvement Strategies to be Implemented*: Provide strategies the administrator can implement to show improvement in performance expectations rated “developing” or “below standard.”
6. *Tasks to Complete*: Specific tasks the administrator will complete that will improve the performance expectation.
7. *Support and Resources*: List of supports and resources the administrator can use to improve, e.g. professional learning opportunities, peer observation, colleague mentor, books, etc. .
8. *Indicators of Progress*: How the administrator will show progress towards proficient/exemplar in domain through observations, data, evidence, etc.

The plan will be designed and written in a collaborative manner, which focused on the development of a professional learning community supporting colleagues within this level. The administrator and evaluator will sign the plan. Copies will be distributed to all those who will be involved in the implementation of the plan. The contents of the plan will be confidential.

EVALUATION-BASED PROFESSIONAL LEARNING

As our core values indicate, Stafford believes that the primary purpose for professional learning is school improvement as measured by the success of every student. We also believe that professional learning must focus on creating meaningful experiences for all staff members. Designing evaluation-based professional learning is a dynamic process. Working with program goals and data from the administrator evaluation process, professional learning is planned to strengthen instruction around identified student growth needs or other areas of identified administrator needs.

CAREER DEVELOPMENT AND PROFESSIONAL GROWTH

We recognize that administrators, as well as educators and students, learn in different ways and have different learning needs at different points in their career. To the greatest extent possible, professional learning will be personalized and provide for a variety of experiences, including learning teams, study groups, individual study, and opportunities for conducting research and collaborating with colleagues.

Stafford will provide opportunities for administrator career development and professional growth based on the results of the evaluation. Administrators with an evaluation of **Accomplished** or *Exemplary* will be able to participate, subject to available budget finds, in opportunities to further their professional growth, including attending state and national conferences and other professional learning opportunities.

Item X.C.

September 27, 2021

MEMO

OFFICE OF THE SUPERINTENDENT OF SCHOOLS

TO: Board of Education
FROM: Steven A. Moccio, Superintendent of Schools 
SUBJECT: Approval of Authorized Signers for Stafford Savings Bank Accounts

Per the Corporate Resolution with Stafford Savings Bank, the Stafford Board of Education acts as the "Board of Directors" and must authorize officers and agents of the school district to deposit funds in the bank. The authorization from the Board of Education allows school officials to conduct other types of transactions as stipulated in the resolution, such as signing checks.

RECOMMEND that the Board of Education authorize Lynne Pelletier, Director of Food Services, as designated signer for the Stafford Public Schools Board of Education Food Services account; and Sara Varga, Assistant Principal of Stafford Elementary School, as designated signer for the Stafford Elementary School Activity Fund.

RECOMMEND that the Board of Education authorize Mrs. Andrea Locke, Secretary, to certify that this action has been taken at its meeting on September 27, 2021.

Stafford Public Schools
Business Office
11B Levinthal Run
Stafford Springs, CT 06076

MEMO

Date: September 15, 2021

To: Board of Education

From: Diane Peters, Business Manager

Subject: Approval of Authorized Signers for Stafford Savings Bank Accounts

Attached please find the Corporate Resolution for Account form designating Stafford Savings Bank as a depository for the Stafford Board of Education. The form requires that the Board of Education (“Board of Directors”) authorize officers and agents of the school district to deposit funds in the Bank. Such authorization from the Board of Education allows school officials to conduct other types of transactions as stipulated in the resolution, such as signing checks.

RECOMMEND that the Board of Education authorize the following employees as designated signers for each of the accounts enumerated below:

Account Name	Authorized Signers
Stafford Public Schools Board of Education Food Services	Steven A. Moccio, Superintendent; Diane Peters, Business Manager; and Lynne Pelletier, Director of Food Services
Stafford Public Schools Stafford Elementary School Activity Fund	Steven A. Moccio, Superintendent; Diane Peters, Business Manager; Mary Claire Manning, Principal; and Sara Varga, Assistant Principal

RECOMMEND that the Board of Education authorize Mrs. Andrea Locke, Secretary, to certify that this action has been taken at its meeting on September 27, 2021.
