Stafford Public Schools Mission & Belief Statements

The mission of the Stafford Public Schools is to prepare our students to assume productive, meaningful, and responsible roles in an increasingly competitive global society. It is our obligation to support and challenge all students and staff to meet or exceed established standards of performance in a safe and secure environment.

- Assessment of all programs and instructional decisions will be based on research and data.
- An appreciation of self, work ethic, community, diversity, and citizenship is fundamental to the learning process.
- Creativity, joy in learning, and personal expression are essential to the development of a successful learner.
- Staff, families and the *entire* community must work together to be accountable for the present and future success of the students in Stafford Public Schools.
